

Prophecy: I Saw 2 Powerful Weapons Coming to DC for Major Breakthrough

In the Spirit, I see the initials of the city of "D.C." lighting up, standing for "Divine Combat."

The weapons God will use to help take this city will not be carnal, but mighty through Him to the pulling down of strongholds.

"The army I'm raising up will be few in number, and their weapons will appear foolish to many. But My foolishness is wiser than man, and My strategic plans will be hidden from the enemy by My glory as I maneuver My army by My Spirit."

Ram's Horns and Dancing Feet

I saw two of the most powerful weapons being called to this city for major breakthroughs, ram's horns and dancing feet! As in Gideon's army, shofars will be blown again, breaking many hindrances to release the light of God's glory, as though erecting a lighthouse on the front lawn of the White House.

I see seeds of truth being pushed and planted into the ground by dancing feet! I see their roots going down deep and their fruit coming upward cracking the marble floor inside the White House. ... cracking the very foundation of deception and greed, exposing the enemy. (The enemy is not a man but Satan.)

"Though this army is few in number, your assignment is different."

The Sound of a Million Shofars and Dancing Feet

"Though few in number, I am going to amplify the sound of My weapons. Their sound will be heard inside the White House by enemy strongholds. I will amplify it to the degree that it

will sound to the enemy like a million shofars and a million dancing feet have come to town! The echo will carry across the nation."

Recently I saw again the initials of the city of "D.C." lighting up as another powerful weapon. The initials of "D.C." were lighting up, standing for "Dear Children"! Children will be used also to help take the city. A child shall lead them to overtake it.
