

Prophecy: Paramedic Angels Dispatched to Heal in Response to 2 Chr. 7:14

In the Spirit I saw hairline cracks appearing on the marble floor of the White House. As I saw these hairline cracks, I sensed the Lord speaking from Job 14:7-9, "For there is hope for a tree, if it is cut down, that it will sprout again, and that its tender shoots will not cease. Though its root may grow old in the earth, and its stump may die in the ground, yet at the scent of water it will bud and bring forth boughs like a plant."

I sensed the Lord saying, "As Samson's hair began to grow again, so are the spiritual roots of this nation." As I saw the cracking of the floor increase, it was like the very foundation of deception and greed was beginning to be the enemy! (The enemy is not a man but Satan.)

I said to the Lord, "What has caused these spiritual roots to begin to grow again at this time?" I sensed the Father saying, "I have collected in a bottle every tear that swelled up in every eye that has mourned for this nation. These tears in My bottle are now being poured out over America, causing her roots of righteousness to begin to spring forth in the land."

Paramedic Angels

In the spirit, I saw what appeared to be "paramedic angels" dispatched, dropping from the heavens, as in parachutes, landing on the front lawn of the White House. It seemed that those grass roots of righteousness that began to crack the White House floor had set off an alarm in hell, summoning these angels with urgency to surround the White House.

I saw multitudes of other angels descending upon and filling

up the mall of the nation's capitol. I saw that these were Second Chronicles 7:14 angels who had the Scripture written all over them, "If My people, who are called by My name, will humble themselves and pray, and seek My face and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and will heal their land" (2 Chr. 7:14).

Warring on Corporate Prayer

These Second Chronicles angels seemed to have had assignments throughout the ages to descend upon nations that were in critical time frames where a nation seemed to be hanging in the balance of going either way. These angels warred solely and strictly on corporate prayer alone. I sensed they had come to Washington, D.C., but now were given orders to wait on the rising tide of corporate prayer from the heart of America.

Certain angels were released into war for a nation only through tears; nothing else moved them. I asked the Lord, "Father, why 'paramedic angels'? I have never heard of them."

He responded, "I plan to give mouth-to-mouth resuscitation to America and kiss her face again!"

"Oh America, is that a prayer on your lips that I hear ... and is that a tear in your eye?" {eoa}
