

Prophecy: This Coming Storm Will Attract the World's Attention

There is a storm coming, and it will get the world's attention. In this storm, there is cleansing, exposure, awakening, unrest and a divine reset. Proverbs 10:24-25 says, "The fear of the wicked will come upon him, but the desire of the righteous will be granted. As the whirlwind passes, so is the wicked no more, but the righteous has an everlasting foundation."

Exposure is coming from heaven in this hour, and everything that has been done in secret will be shouted from the housetops (Luke 12:3). Our prayers are being answered, and as exposure is being realized, the devil is throwing a fit.

The last thing the devil wants is exposure of his evil schemes, yet God's will is being done, just as it is in heaven, and that means hidden things are coming to light for all to see. It's a time to confess to God the things that we all need to own up to and change the things in our own lives that God is putting His finger on. It's time to get ready to be mightily used by Him in this accelerated time we are living in.

God Will Use His Church to Execute Supernatural Events on This Earth

We are the church; it's not a building with a cross on it. God's church is equipped and designed to move in power and authority, destroying the works of the evil one (1 John 3:8). The greater one, Jesus, lives inside of us, and the same authority He has, we have.

It is the responsibility of the church, not the government,

schools or any other organization, to change our environment using the spiritual weapons God has given us. We are no longer going to linger inside of a church building, but we are being launched into this world to bring life, hope and rescue to those trapped in deep darkness.

The church is changing, and here are some things we can expect to see in the “face of the changing church.”

Supernatural Authority and the Fear of the Lord

When we declare, proclaim, advance and take ground for God and His kingdom, His authority is felt by all. What He says, we say, and the God-given declarations fill the air with power, arresting the attention of all who hear them. When these declarations from heaven are spoken, things change. The power of life and death is in our tongue (Prov. 18:21), and when we declare a thing given by God in revelation, He establishes it on this earth (Job 22:28).

The fear of the Lord comes in absolute authority, holiness, purity and unmatched power. Every devil and demon in hell trembles and loses their hold on people and things. Hell knows it's defeated and has to bow down, let go and beg for mercy when Jesus shows up. Get ready to see the evildoers disappear when the true church takes its place in this hour.

Supernatural Boldness and Wisdom

God is sending us into places where it may not seem safe. Jesus told His disciples, “Look, I am sending you out as sheep in the midst of wolves. Therefore be wise as serpents and harmless as doves” (Matt. 10:16). Wisdom is of major importance as we find ourselves going into places that are not only unpredictable but also dangerous. Yet, God told us that in the day of trouble, He would hide us and protect us (Ps. 18).

Understanding that He will protect us and bless us in our

going out and coming in gives us this supernatural boldness to accomplish His mission and assignment for us as we go into all the world and preach the gospel to everyone. He gives us language to use that is understandable to the hearer and opens the hearts of those who are hardened to listen to life words that produce a life change in them. We are His kids, and we were never designed to live broken and apart from Him.

Supernatural Love and Compassion

In our natural lives, we don't possess this kind of love just within ourselves. God's supernatural love flows out of us as we move about this world, healing sick people, working miracles, giving direction and hope to those who are walking in darkness. This love never fails. This kind of supernatural love transforms us and literally anyone who comes in contact with it. There is no shame or condemnation in this love; there is no judgment or ambition. When this love flows through us, we again realize that we are absolutely partakers of a divine nature, who is God living in us, moving through us.

Supernatural Power

We are now moving in supernatural power, where mountains are moved, prison doors in people's lives are opened, every demon from hell is terrified and flees, and where God in us snatches people from the grips of hell, transferring them to His kingdom of life. With God, absolutely nothing is impossible ().

Furthermore, we are stepping into a time of unusual miracles and unseen exploits that haven't even entered into our minds and hearts (Eph. 3:20). The Bible says in Habakkuk 1:5, "Look among the nations, and watch—wonder and be amazed! For I am doing a work in your days that you would not believe, though it were told you." As we position ourselves in agreement and alignment with God's purposes and plans for our lives and this earth, we are going to experience the greatest demonstration

of power and “wonders” manifested as God destroys the devil’s evil plans and plots right before our eyes.

We’ve already crossed over into this new era, and God’s plans will succeed!

Isaiah 60:1-3, “Arise, shine, for your light has come, and the glory of the Lord has risen upon you. For the darkness shall cover the earth and deep darkness the peoples; but the Lord shall rise upon you, and His glory shall be seen upon you. The nations shall come to your light and kings to the brightness of your rising.”

Put your armor on, we have work to do. God is with us, for us and accomplishes His will through us. {eo2}

Cindy McGill’s *passion is to help people find their lives’ purposes, receive healing from life’s trauma and live their lives to the fullest. She travels internationally, teaching on the subject of dreams and dream interpretation. She also leads “dream teams” using innovative methods to help others discover the hidden meanings behind their dreams and give them a chance to find hope and truth at their point of need. Since 1979, she and her husband, Tim, have given their lives to helping people redefine their lives and find healing and direction.
