

Prophecy: The Lord Says, 'Get Ready for a Significant Upgrade'

Note: The following prophetic word was originally released in May 2019, but I sense the Lord saying it is relevant right now.

The Lord says, "I am about to set you into position—Get ready for a significant upgrade!"

While attending a minister's retreat recently, we (my husband and I) were invited to bring a word. After sharing several introductory points, I explained how I felt led to share a word I'd received while traveling on the airplane to get there that I felt was for many in attendance. I'd heard the Lord say, "I am about to set you into position." When I released this, I witnessed each and every person physically struck by the presence of the Lord—it was as if an explosion had occurred. Unable to stand under the weight of glory, I finished speaking crouched down on my knees.

Although I've ministered under the weight of the glory before, I've never experienced anything quite like this. Later when processing what happened with several other leaders present, one woman explained that at the moment the word was released, she saw an angel step from behind my right shoulder and—in an explosion of motion, touch each individual as it passed. One person said they felt a rush of wind. Several had the impression of the explosion of sound waves, and another had the sensation of something traveling at the speed of light.

Since then, the Lord has identified this angel to me as the angel of promotion. Friends, I heard the Lord say, "You need to get ready for an upgrade. ... Get ready for a significant upgrade!"

Just as Joseph went from the prison to the palace in one day, many of you are about to be set into positions of greater authority, power and influence. For some, this will manifest physically through actual promotions in the workplace or in your sphere of influence or authority. Some will see their business or ministry taken to a whole new level.

You can expect to see spiritual manifestations of this word as well. Expect to see healings you've never seen before, and expect to experience new power and authority for creative miracles and breakthrough—expect the supernatural to manifest around you like never before! I hear the Lord saying, “Don't say in your heart, ‘Oh, I've heard words like this before,’” because that which was prophesied to you in an earlier time is about to become a reality!

Friends, it is indeed a new day. We've entered a time of increased angelic activity and promotion for the purpose of the acceleration of harvest. I believe the Lord will meet each and every person who receives this word to touch them in some way. It's been said that the definition of insanity is doing the same thing over and over again, but expecting different results. Perhaps that's true, or perhaps it's actually an integral part to the definition of faith.

For those who have prepared and who believe and receive, I sense the Lord saying, “I am about to set you into position. Get ready for an upgrade. Get ready for a significant upgrade!” {eoa}
