

# Prophecy: The Lord Says, 'It Is Time for My Church to Come Out of Hiding'

*I heard the Lord say, "It is time for My church to come out of hiding and fulfill My purpose. I am raising up those who will be deliverers to this generation. The earth is groaning and travailing. The time is now! You have been hidden away, but now you have outgrown the place of concealment. I am setting up divine connections for you that will propel you into your purpose. I will cause you to be raised up in the very place that once threatened your destiny. I am causing a turnaround for you. The enemy's verdict, plots, plans and schemes will now be overturned."*

While I was in prayer, the Lord began to speak to me about the time in which we live. He revealed to me that we are in an Exodus moment. The spirit of Pharaoh has been oppressing His people far too long. God has heard the cry of His people.

In the Book of Exodus, the children of Israel had been afflicted by taskmasters. In fact, Pharaoh issued an order that all the male babies were to be thrown into the river to drown. An assassin spirit had been sent among the children of God with a mission to kill. That same assassin spirit has been given an order to kill your destiny too, but the good news is that its orders have been overturned! The same God who brought the children of Israel out of Egypt is coming on the scene to bring you out from destruction!

God heard the cry of His people who were enslaved in Egypt. He moved to send a deliverer to them. He used a woman whose name was Jochebed, a member of the priestly tribe of Levi. She gave birth to a baby boy. By faith, and in defiance of Pharaoh's order that every male baby must be killed, she hid her newborn

son.

"But when she could no longer hide him, she took an ark of bulrushes for him, daubed it with asphalt and pitch, put the child in it, and laid it in the reeds by the river's bank" (Exod. 2:3, NKJV).

Many of you who are reading this right now can identify with Moses having been hidden, for you, too, have been concealed. You feel like hardly anyone knows you are even alive. God would say to you, *"Your season is changing! You will emerge. I have reserved you for this time in history. I was the One who designed when you should outgrow your place of confinement."*

The scripture said "when she could no longer hide him." Just like He did with Moses, God has been preparing you for this very hour. Pharaoh's command was to throw the male babies into the river, but God gave Jochebed faith to hide her baby, and then He gave her a strategy to build an ark for her baby. Think about this for a moment. Moses sailed on the waters that were supposed to have killed him! And what should have killed you, the very thing that should have taken you out, is going to be the thrust that brings you into your destiny.

"Then the daughter of Pharaoh came down to bathe at the river. And her maidens walked along the riverside; and when she saw the ark among the reeds, she sent her maid to get it. And when she opened it, she saw the child, and behold, the baby wept. So she had compassion on him, and said, 'This is one of the Hebrews' children'" (Exod. 2:5-6, NKJV).

God had a divine appointment for Moses. He was discovered at just the right time by Pharaoh's daughter, and she had compassion on him. God had orchestrated his protection and given him favor. This "God setup" was the "overturn" of Satan's plan to destroy the nation of Israel and stop the coming Messiah.

The Father says to you, *"You have been called for a holy*

*purpose. You were placed on this earth for such a time as this. I know the pronouncement of the enemy, but My Word is greater than every contrary circumstance. I am the God of the impossible. There is nothing too hard for Me. Moses' mother hid her newborn by faith. Your act of faith is going to cause the disruption and reversal of the plot of the enemy that has targeted your life. Your destiny has not been aborted! You have only been hidden."*

I declare to you that God is raising up an army who will go against the grain. They will stand upon His holy Word, and they will see the great harvest that He has promised. The spirit of Pharaoh cannot stop that which God has promised. Pharaoh will be made to let you (God's people) go so that you will fulfill your purpose and destiny!

The faith of Moses' mother shifted the trajectory of an entire nation. How fitting that the Lord spoke this to me in the month of May, when we celebrate Mother's Day. Mothers, your acts of faith will be rewarded. Furthermore, deliverers are rising to the forefront who will stand up against the spirit of Pharaoh and announce the plans and purposes of God. Moreover, entire nations will see revival.

Be bold! Be strong! Stand courageous! God's plans are rising to the surface and will prevail. Undercover and evil plots will be exposed. Don't look to the left or the right but keep your eyes on God, and expect the greatest harvest that you have ever seen. {eoa}
