

Prophecy: The Lord Says, 'Prepare for Supernatural Displays of My Might'

We have entered the decade of the mouth where God is waiting to hear our roar, but His people and much of the world are afraid to speak, and afraid to act. Jezebel's most powerful weapon now being utilized is fear and intimidation; a weapon she also used against Elijah causing him to run.

We see her tactics of intimidation now being employed in all spheres. The enemy has been overpowering and wearing down the saints, but hope is still alive! The people of God cannot afford to succumb to fear right now, *the stakes are too high*. We must make our stand on the Word of God and the word of His prophets to bow down, pray and intercede as Elijah did. God is faithful to His Word; His promises are sure; He will back the words of His anointed prophets.

“The Lord, God of Abraham, Isaac, and of Israel, let it be known this day that You are God in Israel and that I am Your servant and that I have done all these things at Your word. Hear me, O Lord, hear me, so that this people may know that You are the Lord God and that You have turned their hearts back again.’ Then the fire of the Lord fell and consumed the burnt sacrifice and the wood and the stones and the dust and licked up the water that was in the trench” (1 Kings 18:36b-38).

God saw what they were doing at Babel and *He came down*, He *heard* the cries of His people in Egypt and *He came down*, and He *answered* the call of His prophet Elijah at Carmel, and *He came down*. The Lord is coming down into this global catastrophe. There is yet time for repentance in His church—those who are on the fence and choosing the ways of the

world over the ways of His Word. He is saying to turn from our wicked ways and return to Him, to the ancient paths where the good way is. He is saying to repent for choosing to agree with evil and to choose this day to *agree with Him!* He is saying to His people as He said through Elijah:

“‘How long will you falter between two opinions? If the Lord is God, follow Him; but if Baal, then follow him.’ And the people did not say a word” (1 Kings 18:21).

As He did at Babel, as He did with Moses in Egypt, and with Elijah at Carmel, *God is coming down!* Jezebel will be thrown down! I saw a large contingent of angels being sent out; they were pale gold in color, with gold representing purity. The Lord said these angels were being sent to uncover hidden plots; they were highly skilled in exposing deeply hidden things.

I then saw a large convocation of eagles coming to the rescue armed with the Word of God. Their words were like Holy Ghost artillery, having the power to blow up Jezebel’s strongholds. These are the voices of His prophets carrying His word that will not return void. Many of these prophetic voices are women; a righteous army of women empowered by the Spirit of God to counteract Jezebel’s work are now being released in the battle. They represent a righteous move of God among women who have the King’s ear, raised up for such a time as this. In partnership with their Mordecai counterparts, they will write and utter decrees to annihilate the enemy and hang the Hamans on their own gallows.

God is about to move, and this move will come with thunder and lightning. He is coming with fire, and He is coming with rain to destroy the enemy’s untimely agenda. We may be in for a period of volatility and uncertainty and should be prepared spiritually to stand and not be shaken.

God is saying to us, “Do not fear the fire, you will not be

burned; do not fear the rain, it will not overflow you. “Stand with Me in the fire and in the rain, and you will see marvelous things. Don’t stop believing and don’t stop praying, I am coming down! Prepare for the supernatural displays of My might, gird up your loins and be ready!

“Then Elijah said to Ahab, ‘Get up, eat and drink, for there is the sound of a heavy rainfall. ... The hand of the Lord was on Elijah; and he girded up his loins and ran ahead of Ahab to the entrance of Jezreel” (1 Kings 18:41,46). {eoa}
