

Prophecy: The Lord Says, 'You Shall See Judgment and Deliverance Occur in Tandem'

The Spirit of the Lord says this day: "A Lazarus moment—a defining moment—is coming to your nation, O America. For the wicked have attempted to put you in a grave and proudly mark it as a trophy of their power. However, I, the Lord thy God, am saying this day—I am decreeing from My throne—that the stone must be rolled away. Yes, there is a stench of corruption, of death, of unbelief. However, I will roll away the stone.

"If you will only believe right now, My children, you shall see the glory of God and the *incredible* happen in your nation. Do not be like those in the days of Noah who refused to hearken unto the voice of the Lord. Do not think you are safe, you corrupt upon the earth—those who have turned away from the Lord God Elohim. For judgment and deliverance were in the days of Noah, as man had corrupted what I had created and infected the earth with it. And you shall see judgment and deliverance occur in tandem yet again," says the Lord of Hosts this day.

"I am calling America forth out of the dark place it has been—in a tomb, in a place of death and darkness, restrained in the grave clothes. The wicked attempted to control what I the Lord thy God raised up. They did the same in the days of Noah, and they are doing the same now," says the Lord.

Unusual Floods

"However, I, the Lord thy God, have a covenant with America. Harken unto the voice of the Lord in this hour. Return unto Me, the Lord your God, before it's too late. For I the Lord am opening up the windows of heaven and the places of the deep, and it shall storm upon the wicked and their cities—in valleys

and corporations and 'leadership' that they have built. It shall storm, and it shall rain, and it shall flood them, and destroy what they have built. [In] very unexpected ways, you shall see [it] destroy the most wicked of people and what their hands have built. You shall see a *legal flood*, the likes of which has not been seen in your nation.

"You shall see the valleys where chips and tech are built flooded with viruses and attacks and failures, the likes of which *they* have never seen. You shall see what you call 'social media' take unprecedented hits at the market, in the square, at the *core* of their programming," says the Lord of Hosts this day.

"You shall see open fighting amongst donkeys, amongst elephants, but open fighting where they expose the deepest things about each other no one ever saw coming," says the Lord of Hosts.

Unprecedented and Unexpected

"You shall see the unprecedented and unexpected happen in political races in your nation. You shall see those who walk with Me win when it was broadcasted that they would not," says the Lord of Hosts.

"I the Lord am assembling the team—the spiritual team for the next leaders," says the Lord. "I have called them by name to wake up and sound the alarm to the nation. I have called them, in this hour, to stand there on Mount Carmel and say loudly, 'How long will you falter between two opinions? If God then God; if Baal then Baal.' However, those who have chosen Baal shall see the power of heaven before them, and they shall find themselves consumed by fire. The people shall turn on them in droves and destroy those who are the prophets of Baal—who have been the mouthpieces for the enemy and the serpent to go forth and deceive the people, to take what is *not* of Me.

"Adam and Eve were *My* children, yet they hearkened unto the

serpent, and many of *My* children have done so in this time," says the Lord.

"Repent. Turn completely back to Me, the Lord your God, and serve Me the rest of your days, and I shall deliver you from the pestilence that has been brought upon you, the snare that was injected into you; the manipulation of the molecules and DNA I created ...' as it was in the days of Noah,' except the enemy has reversed the dialogue and raised up 'Noahs' to speak (in favor of [and] with convincing, lulling words) that touching the DNA God created and doing an 'edit' is the future.

"My work ... they dare to edit My work," says the Lord. "My creation, they are as dust in my sight, and soon one major influence in that world shall be no more, for tragedy shall strike. Since they chose to sow death and deception into others, their words shall now befall them and shall shake that order," says the Lord. "Not one death, but two," says the Lord. "Repent now. Repent!"

An Alzheimer's Discovery

The Spirit of the Lord says this day, "There is a discovery coming with Alzheimer's where a sequence shall be discovered that will not only stop the advancement of this pestilence, *but* it shall reverse the damage and restore those areas of the brain, and shall turn back the clock for many. This will be worldwide news. It will be such an incredible discovery, and I the Lord am putting it in the hands of those seeking *Me* for an answer. You scientists who know *Me*, who are searching—seek *Me* with all your heart, and I shall give you the vision to the code that will help heal so many," says the Lord thy God this day. {eo}

Amanda Grace and her husband Chris are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley),

walking out the commission in Mark 16:15: "Go into all the world and preach the gospel to every creature." They minister to all of God's creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible, as well as the times when it was written, to understand the true context of the Scriptures and apply them to life. Another way that Amanda and Chris minister at Ark of Grace is through their animal sanctuary, where they take in lost, abandoned, disabled animals and show them the love of God. Amanda also takes care of her husband, Chris, who sustained a traumatic brain injury in January 2019 and miraculously survived. They have both experienced and understand the incredible power of Almighty God and how He redeems! They teach others—through their testimony, biblical teaching, the prophetic, and life lessons of caring for the residents of their animal sanctuary—how the Lord can move in every circumstance of life.
