

Prophecy: The Spirit Says, 'A 180-Degree Change Shall Occur in Areas of Your Nation'

The Spirit of the Lord says this day, "My children, in this hour I am turning many things on their heads. A 180-degree change shall occur in areas of your nation, in areas of the governments, in areas of the church ... a *change of heart*. Many of you need a change of heart. And there are those who have become too puffed up with their *own* ideologies and altered plans of how the earth and its inhabitants should live and proceed. The earth is the Lord's and the fullness thereof!"

Australia, Cry Out to God! Many Leaders Are Being Sifted

The Lord of hosts says, "A phenomenon in nature is occurring in Australia. Leadership is being sifted. Many leaders are being sifted in this hour.

"Australia, cry out to Me to untie you from the wickedness and controlling territorial spirits that have operated through haughty, deceived men. I shall strike their camps that they have set up and created," says the Lord, "and there shall be a collapse and breach of their plans."

Poland, You Are on the Verge of Change

The Lord of hosts says, "Poland is on the verge of change. There are nations who have their sights set on Poland as it is a hub and a haven. And the Polish government shall be filled with a boldness and resolve in this hour to resist the intimidation and the tempting deals that serpents so shall make. Look to Me, O leaders of Poland, the Lord your God. Seek Me on your knees, and I shall give you *key* direction in this hour."

America, the Standard of the Lord Is Being Raised! A “Big One” Is Set to Crash

The Lord of hosts says, “O people of America, the standard of the Lord is being raised in this hour, for the enemy has attempted to crest a wave filled with lies, perversions, darkness, greed, control and threats from *little puppet men*. Yes, I said ‘little.’ For their power is fabricated. Their empires come with a price, and empires fall.

“The standard of the Lord is being raised against this wave, and the standard of the Lord is coming in like a flood, with force and power and holiness, and will cause that wave to make a very unusual and unexpected turn and land on all the puppets, and prognosticators, and leaders, and conglomerates and perverse groups who so thought they could artificially stir up such a wave to crash upon what is happening in your nation – *the change of heart that is occurring*.

“Instead,” says the Lord of hosts, “they shall feel the full force of the wave of their own making. A *big* one is set to crash on Silicon Valley, and a *big* one is set to crash on what is called the World Economic Forum – disaster,” says the Lord of hosts. “Watch and see as their gathering turns into a *large* thorn in the flesh.”

Watch Jordan, the Middle East and the Canals

The Lord of hosts says, “Jordan ... just watch Jordan in this hour. The *shrewd maneuver* is set to occur.”

The Lord of hosts says, “Another shall arise out of the area of the Middle East that will cause quite a stir and make much noise. However,” says the Lord, “there shall be a sudden ‘tripping’ that puts down the one standing on their soapbox puffed up with pride. Pride cometh before the fall,” says the Lord of hosts.

The Lord of hosts says, “Watch the canals ... just watch the

canals.”

The People of China Are Rising Up! The Fire Shall Be Taken Out of the Dragon

The Lord of hosts says, “The people of China are crying out. The concentrated church there has been staunch in their resolve and has sought Me, though they attempt to release hell on that nation. Dragons breathe fire – it sings, it burns, it gets hot. However, the fire shall be taken out of the breath of the dragon.

“The people are rising up. The people are rising up and, [with] zero tolerance, shall turn on the government and their members, as people – hundreds of thousands, into the millions, of people – march on them and push back and crush their plans to lock down and control and keep the people prisoner in their own nation.

“Enough,” says the Lord. “Enough. Shock out of China – shock. It will be worldwide news as these events occur. The leadership shall begin to cave on itself in this hour. And the cord that ties China to other unholy nations’ agreements – well, one of the cords is about to be cut ... the area of Mongolia,” says the Lord. “And watch an unexpected maneuver by India in this hour.”

Israel, God Will Bless Those Who Bless You and Curse Those Who Curse You

The Lord of hosts says, “Israel may be ‘opening up’; however, I the Lord shall *shut down* their inner plans to destroy that nation. I, the Lord thy God, made a promise to Abraham: *I will bless those who bless you and curse those who curse you.*

“Israel’s own people have cursed it; their own kind have attempted to destroy it behind the scenes, holding hands with a Muslim brotherhood and Palestinian leaders. They have attempted to create a cauldron [with] the countries that want

to do them in; those wayward *sheep have gone and attempted to make holy treaties with them!*

“Jehoshaphat and Ahab do not mix,” says the Lord, “nor should there be agreements with those who have turned from the Lord and gone after the Baals.”

The Lord of hosts says, “An Arab spring (but not in the way you think) and a sudden flip in Israel will cause those who have made these secret agreements to panic and make desperate moves that will gut open the maggots and filth and ungodliness in the nucleus of their government.

“The Wailing Wall, indeed,” says the Lord of hosts. “Watch and see an event near the Wailing Wall that will be big news.”

Amanda Grace and her husband, **Chris**, are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley), walking out the commission in Mark 16:15 (NKJV): “Go into all the world and preach the gospel to every creature.” They minister to all of God’s creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible, as well as the times when it was written, to understand the true context of the Scriptures and apply them to life. Another way that Amanda and Chris minister at Ark of Grace is through their animal sanctuary, where they take in lost, abandoned, disabled animals and show them the love of God. Amanda also takes care of her husband, Chris, who sustained a traumatic brain injury in January 2019 and miraculously survived. They have both experienced and understand the incredible power of Almighty God and how He redeems! They teach others – through their testimony, biblical teaching, the prophetic, and life lessons of caring for the residents of their animal sanctuary – how the Lord can move in every circumstance of life.
