

Prophecy: The Statue of Liberty Is Changing Her Apparel

"I saw the abbreviation of the state of New York, NY, lighting up standing for "Now, Yeshua." It was as though Yeshua was coming in 3-D technicolor to New York City! I saw in the Spirit a huge *tallit* (prayer shawl) coming down over the shoulders of the Statue of Liberty. The Lord says, "The prayer shawl over her shoulders represents the intercession for America and Israel."

I then saw the hand of God replacing the torch with a shofar.

The Lord says, "The Spirit of Liberty that seems dead within this woman is being resurrected, and up out of her innermost being will come forth the breath of God, and this lady will blow the shofar, and the blast of liberty will be sounded and heard in the land, bringing a release to America and touching Israel at the same time!" It's not over. A powerful remnant is rising!

Remember, the pause comes right before the grand finale. {eoa}
