

# Prophecy: Your Dormant Prophetic Seeds Are About to Come Alive

The Lord recently spoke to me in a time of prayer and said, "Go forth!" I knew that this was not just a word specifically for me but for the body of Christ.

Many people chase after getting new prophetic words over and over again without ever moving forward with the prophetic words they've already been given. When God spoke at the beginning, He said, "Let there be light." Since the moment He spoke that, light has been going forth forevermore.

When God speaks there is power in His words to bring forth what He promises. However, it is our responsibility to take the words and go forth to see them accomplished.

Are you going forth with the prophetic words that have been spoken over you? James 1:22 says, "Be doers of the word and not hearers only, deceiving yourselves." Many people go to church every Sunday, chase down revivals or their favorite speaker and never do anything for the Lord besides attend a service.

The prophetic seeds lying dormant in your life are about to come alive. This is your season to go forth! Don't sit around and do nothing. Go forth and use the talents and abilities God has given you. This is your time to become a doer of the word of God. It's time that you start living out the destiny that God has spoken over your life. It's time to go forth!

You were created for such a time as this, to do everything that God placed on your heart to do. Now, no longer deceive yourself and try to talk yourself out of the prophetic words that God has given you—go forth! Give your life to the call

God has placed on your life.

One of my favorite phrases is this: "When it's all said and done, more may be said than done." Let that never be said about you! Instead go forth and be a doer of the word of God. Never become satisfied watching somebody else do what they were called to do without fulfilling your own kingdom assignment.

Answer the call that the Lord has on your life and step into it today. In this season, ask the Lord today to reveal to you the next step and go forth. Go forth and do whatever God has assigned for you to do in the kingdom of God.

Now is the time to go forth and aggressively pursue all God has called you to do. The reason people get frustrated in life and with life is because they quit going for it. You simply have to go forth and start progressing in every area of your life in this season. Truth be told, we never really plateau in life; we are either moving forward or backward. Our spiritual nature and our physical nature have a lot in common.

I believe that in this season, if we are not going forth, we will lose ground. God is looking at His people and saying, "Go forth! I have given you everything you need to be successful and to thrive." So, my friends, I want to encourage you: Don't sit on the sidelines in this season. Go forth and do everything God has placed in your heart to do. {eo}
