

Prophet: 3 Critical Elements for Powerful Intercessory Prayer

Do you want to become more effective in intercession? How about understanding the 12 sounds of prayer? What kinds of prayer are you best equipped to pray as a unique member of the body of Christ?

James Goll, founder of God Encounters Network, says that believers need to incorporate three elements when participating in intercessory prayer:

“As intercessors, we first need to pray the world,” Goll told Candice Smithyman on a recent episode of “Glory Road.” “We need to be Word-based, Bible-centered. We also need to be Holy Spirit-directed. Pray in the gift of tongues. And, we need to get our heart in union with God’s heart. We must pray unity with God’s heart.”
