

Prophet: The Church Desperately Needs Heavenly Insight in This Hour

There is a vacancy that needs to be filled on the earth. Could it be that in the “Help Wanted” section of God’s news department, the Holy Spirit is listing a posting that says, “Needed: Heavenly Insight for the Hour”?

God is looking for Spirit-filled believers in the Lord Jesus Christ to rise up as hope ambassadors or hope solutionists. It is time for those with heavenly insight to arise and be guiding lights within the nations of the earth.

“Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever” (Dan. 12:3, NASB).

This verse from the prophet Daniel has been illuminated to me since the beginning of the year (2020). I believe the need of the hour is for insight!

Consider some of the promises for those who walk in this dimension.

In the backdrop of dark night, they will shine brightly like the stars. They will cause people to look at to heaven. These shining ones will lead many to righteousness.

We need people with true heavenly insight to arise in this global hour of chaos and confusion.

A Dream Encounter

At night as I lay down to sleep, I often pray for the Holy Spirit to speak to me.

At times I ask the Father a very specific question, believing that I will receive an answer when I wake up in the morning.

Isaiah 50:4–5 promises us, “The Lord God has given me the tongue of disciples, that I may know how to sustain the weary one with a word. He awakens me morning by morning. He awakens my ear to listen as a disciple. The Lord God has opened my ear; and I was not disobedient, nor did I turn back.”

With this in mind, let me share a recent dream encounter with you.

In a vivid dream, I had a scroll and as I unfurled it, it was a blueprint on how to build an ark that would last the storm.

I appeared as Noah in the dream leading my family in the construction of an ark. There were eight of us in total in the dream (eight is often interpreted as the number of a new beginning). We started constructing an ark of preservation.

As we completed our family ark, others appeared on the scene wanting to build arks of protection with provision for their families as well.

As I handed my one blueprint away, it multiplied and became multiple blueprints. At the close of the dream I saw scores of arks being constructed that could stand the wind and the waves of the coming storm.

When I woke up out of the dream, a word was impressed upon my chest or heart. At times I see words written out in front of me in the seer realm. At times, I am awakened by the voice of the Lord and hear a word fitting for the season.

This time it was different. I woke up out of the dream with a phrase written upon my heart. I received the imprint, “As it was in the days of Noah.”

Building Arks of His Presence

As I pondered, prayed and reflected on this dream encounter and the word that followed, I have discerned some key points.

In Noah's day, God had a plan for a new beginning that came as a result of a raging storm of winds and rain culminating in a global flood.

But the Holy Spirit gave Noah—which means resting place—insight on how to build an ark for his family. The ark was for the preservation, protection and provision for his loved ones and for the promise of a worldwide new beginning.

We know that the wind and the rain came for 40 days and nights, but it is likely that Noah and his family, along with all of the animals preserved on board, were on the ark for up to a year in length.

So the ark that was constructed was built with perseverance in mind.

I believe in this hour the Lord is calling us to build arks of His presence that will carry us through the current storm of uncertainty into a time of the new era many of us have been declaring.

You can be a Noah for your family and sphere of influence, creating a space of protection by being a carrier of His brilliant presence.

Keys for a Global Reset

As we approach Passover, we are in a time where a global reset button is being pushed.

This will be one of the greatest historic Passover seasons we have ever celebrated.

The 50-day span between this Passover on April 8 and Pentecost Sunday on May 31 will be a global economic reset that we have not known since the time of the Great Depression.

Numerous keys are being released in this hour:

–Keys for the new era are being released.

–Keys on how to build an ark of His presence are being released.

–Keys of creativity and entrepreneurship are being released.

–Insight for new building plans are being released.

–Keys of revelatory insight for your life, family and sphere of influence are being released.

You simply have to rest around the ark of His covenantal presence, and you will receive the keys and heavenly insight needed for the hour. {eoa}
