

Prophet: Things I Wish I Knew 20 Years Ago

What would you tell your younger self? What wisdom have you gained over the last five, 10 or 20 years that has changed your perspective on life?

One of the things I learned is not to sweat the small stuff—and most things are small stuff.

Join me on this journey of looking back to move ahead in which I share life lessons I wish I'd known 20 years ago.
