

Prophetic Dream: The Cleansing Rain is Here

God's cleansing is coming to America. The exposure has begun and will continue; millions of Americans are now seeing the incredibly deep and broad level of corruption in our government—within both parties.

Other areas of our nation are also being exposed as dishonest—media, education, business, insurrectionist movements and more. Money (to satisfy lusts) and power (to satisfy egos or implement or control societal change) are the primary motives.

Most, especially in government, don't believe they'll ever be held accountable. After all, we've known for 3-4 years now of the corruption and lies by politicians, judges, and the Deep State in their efforts to destroy Trump and his allies, yet no one has been held accountable. The double standard of justice continues, and most Americans have become increasingly cynical of our government.

Most politicians in Washington, D.C., and many around the nation—Congress, the Supreme Court, the executive branch, governors, supreme courts of the states, federal and district judges—practically yawned at the fact that voter fraud occurred in the recent elections. "Yea, well, there's always some of that" was often the attitude.

The Supreme Court made it clear they had no intention of getting involved. Only two of the nine thought states had a right to object if illegalities in other states negated their votes. With "no standing" to bring the case, they contended.

Translation: "We're not touching this." Lady Justice wears a blindfold, indeed, at the sidestepping court. "Dishonest," "weak," "self-serving"—pick your adjective—but the fact is

many in our government have lost their integrity.

Thankfully, there is hope. God has begun a cleansing and an awakening. My friend, Steven Springer, had a dream regarding this on, of all days, Inauguration Day:

“On 1/20/2021, I woke up from a dream with such a sense of hope! In the dream, I was lifted over Washington, D.C. It was very cloudy; you could barely see the buildings below. Suddenly, lightning struck the top of the White House and winds began to blow. Along with the lightning, rain and hail began coming down from heaven.

“As the winds blew, a clarity came across the city. Then, one by one, I saw rubber masks coming off people, enabling them to be seen for who they really are. An exposure was taking place. Some looked very hideous. All things hidden and masked were being revealed.

“Then I saw a large broom come down from heaven and begin sweeping across the entire nation. It started with the Capitol in Washington, D.C., and as the hand with the broom swept across the nation, all sorts of evil was revealed and removed. Then, interestingly, I saw many people getting out of their beds, stretching and yawning, realizing it was day. The night was gone, and a day had dawned. The cleansing had produced an awakening!

“The sweeping and awakening continued across the nations of the earth. The world was being swept clean of corruption and decay in order that awakening, a mighty revival and outpouring of the Holy Spirit and fire, could come. As the dust from the sweeping settled, the earth looked dark. But new life began to sprout up everywhere as the outpouring of holy rain, mingled with holy fire, was released. There was such joy and happiness on people’s faces; even the land itself seemed to rejoice.”

End of dream.

Steven added that in the face of these last couple of months, God wants to release tremendous hope, a hope that out of the ashes shall arise a beautiful church, an incredible revival and a reformation like the planet has never seen. He feels our greatest days are at hand, and I concur.

“Let us know, let us press on to know the Lord. His appearance is as sure as the dawn. He will come to us like the rain; like the spring rains He will water the earth” (Hos. 6:3).

“The Lord reigns; let the earth rejoice; let the many coastlands be glad! Clouds and darkness are all around Him; righteousness and justice are the foundation of His throne” (Ps. 97:1-2).

“I looked. And there was a white cloud, and on the cloud sat One like a Son of Man, having on his head a golden crown, and in His hand a sharp sickle. Then another angel came out of the temple, crying with a loud voice to Him who sat on the cloud, ‘Thrust in Your sickle and reap. The time has come for You to reap, for the harvest of the earth is ripe.’ So He who sat on the cloud thrust His sickle on the earth, and the earth was harvested” (Rev. 14:14-16).

Give Him 15 Minutes in Prayer

- Remove from your heart all unbelief that God cannot cleanse our nation.
- Pray that the exposure will continue.
- Ask for the lightning, hail, wind and rain seen in this dream to be released.
- Ask Him for mercy to those who will repent. God loves them all.
- Continue to ask God for righteous leaders.
- Ask Him to release a great awakening upon the earth.

A Prayer You Can Pray

Father, there is indeed a weariness on our nation. The last 2.5 months have been difficult, confusing and disheartening. Many have grown more cynical, and others have become disillusioned. Division in our nation has intensified. It does, indeed, seem that truth has fallen in the streets.

And yet, You are showing many that You're going to cleanse our nation. We believe this has already begun. You are exposing so much. We ask You to continue this. Give grace and mercy to those who repent and turn from their deceitful ways, but whatever it takes, please cleanse us from this corruption. And we continue to ask for the corruption in this past election to be exposed until it is clear to all what really took place. Then bring Your solution.

And finally, Lord, we ask You for this third Great Awakening, which we know is coming. Pour it out on America and also around the world. We ask for 1 billion souls to be saved and for entire nations to be transformed. May America be a recipient of this revival and also be used as a messenger of Your Gospel to the ends of the earth. In the name of the Lord, Jesus Christ, we pray, amen.
