

Prophetic Dream: The Lord Says, 'I Am Going to Shock My People Into Alignment'

I recently had a very powerful encounter with the Lord in a dream and I heard Him speaking over the body of Christ: "I am going to *shock* My people into alignment."

This was such a strong statement, communicated so clearly, that I believe the Lord is about to jolt, shock and shake us at a level we haven't experienced yet. The statement communicated the unexpected. It communicated an intense move—an intense jolting.

Now, what I want to communicate here, before I share the rest of the dream, is that I felt the heart of God and His love for His people so strongly. In the dream, I had such an incredible sense of the love of God. It was as if the atmosphere itself declared, "Because I love My people so much, I am bringing a greater shaking. The purpose of the *shock* is to bring My people into alignment with Me and My ways."

The dream went on, and I heard the Lord repeat the sentence again: "I am going to shock My people into alignment."

This time, when He spoke it, I had two concepts clearly laid out before me in the dream.

1. **The restoration of the fear of God in the church,**
2. **A defibrillator—the shock to bring life,**

The purpose of the shock is to restore the fear of the Lord to the church and it will act as a defibrillator that is going to bring *life* back to the church. It is going to bring revival and awakening like we have not seen before.

Freedom, Positioning, Purification and Refinement

There is a confronting move of God upon the church. In some ways it will be uncomfortable, and to some people it will be offensive. There will be a dismantling. There will be a rearranging, a restaging and a repositioning that are going to take place. There is another level of shaking and firing that is coming to the church, but this shaking and firing is to bring life and to align God's people—to resuscitate the church, in many ways, causing the true *ekklesia* to arise in victory, maturity and discernment.

The Lord has been speaking to me about the deep maturing that has to take place in the church. The Lord is bringing a greater firing, refining and shaking to bring forth maturity. The Lord showed me that in this place of shaking and shocking, His heart is to bring freedom, positioning, purification and refinement to the church.

This is a time to truly to be nestled close to the Lord, listening to His heart and recognizing the time and season we are in, asking yourself: "What is *God* saying right now?"

The Shaking Has Just Begun

What God is going to do will be unexpected. Could it be that revival is going to look a lot different than what we expected? In the coming months, in the "shocking" or in what may seem to be intense, remember that the Lord is shocking to bring forth *life*. God is bringing forth *alignment* to the church *because* of His love for His people and the world. God is shaking all that can be shaken (Heb. 12:27), and the shaking has just begun.

I have continued to have dreams about the shaking and the shocking. The Lord will not only shock the church into alignment, but there is a greater shocking coming to the nations. God is doing this to release the call of alignment, and it has only just begun. The shocking is going to reveal our glorious King Jesus—His power, His majesty and that He is

the one who sits in the heavens and laughs (Ps. 2:4).

The pride of man is going to be confronted in a greater way than we have ever seen as the shock of the Lord's hand takes place in the church and in the earth. The revelation of God Almighty is going to resound in the earth louder than we have ever heard it. Awe and wonder will be the *sound* that will *resound*! {eoa}
