

Prophetic Dream: The Lord Says, 'I Will Bring Down the Giant of Injustice'

This is a dream I had in January that I released as a prophetic word. Because of what we are seeing right now in the earth, I am reposting this word and I am crying out for, decreeing and declaring this unprecedented, accelerated demonstration and manifestation of the Lord's justice in the earth.

Prophetic Word Released in January

Numerous times in the last few weeks I have been having dreams and encounters regarding the justice of the Lord. In the most recent dream I heard the Lord saying, "There is an unprecedented demonstration and manifestation of My justice upon the church in this new era." We have moved into the era where we shall see the greatest demonstrations of the justice of the Lord manifest in the earth like we have never seen before.

In my most recent dream, the Lord continued to speak about the gavel to come to bring down injustice and to overturn. Some of the greatest injustices that have happened in the lives of Believers and in the earth are going to be overturned in this new era. I heard the words "I am bringing down the giant of injustice."

These giants of injustice in the lives of believers and in the earth have been making more noise than ever before, and that is because the gavel of the Lord is coming down swiftly. The Lord showed me that this move of His Spirit is going forth with great acceleration. The Lord will not just be dealing with one area of injustice. The Lord showed me the domino effect of injustices that have taken place, and He is now

about to demonstrate His power on a scale we have never seen before, where there will be an accelerated demonstration of the justice of the Lord overturning the injustices all at once.

I heard these words: “Lifelong injustices will be suddenly overturned. There will be daybreak demonstrations of My justice.”

When the Lord spoke these words, a sense surrounded me, so strongly, that *major* injustices in the lives of believers, and in the earth, were being *suddenly* overturned in a day. These major demonstrations of His power to overturn injustices are going to restore the fear of God in the church and cause the earth to tremble at the majesty and power of God. The Lord is going to demonstrate in powerful ways that He is the one who sits on high, and He is the name above all names. He is the mighty victor.

A Release of Great Joy Over What Injustice Has Stolen

“He who sits in the heavens laughs; the Lord ridicules them” (Ps. 2:4).

There are going to be mighty demonstrations of the justice and dealings of the Lord against those who stand against Him and breed injustice. There will be a mighty display of His power and justice that will usher in the greatest demonstration of the fear of God ever seen. The Lord is going to demonstrate His power that no one can stand against. He is the God of life, the God of justice, the God of hope, the God of freedom, and He is the God who is the defender.

The Lord showed me that there are *many* in the body of Christ who have been dealing with great injustices caused by fellow brothers and sisters in Christ. The Lord showed me how He has been drawing them close to His heart and leading them deeper into Luke 6:28-29, “Bless those who curse you, and pray for those who spitefully use you. To him who strikes you on the

one cheek, offer also the other. And from him who takes away your cloak, do not withhold your tunic as well." But many have been living under and are being affected by these injustices, and the Lord is now coming in as the mighty defender to deliver His people from these effects.

"The Lord is your mighty defender, perfect and just in all His ways; your God is faithful and true; He does what is right and fair" (Deut. 32:4, GNB). The Lord is coming and standing in the injustice; He is laughing at the injustice! His laugh is a laugh of victory.

I could feel the Lord's compassion and love for His people in the injustice and pain they had walked through, but at the same time, His laugh was *so loud* that it filled me with joy.

In His laughing, He declared, "The enemy thought he could stop you and steal from you in this injustice, but I am bringing you into a land of harvest unlike anything you have never known. I am moving powerfully in your midst, now, to bring forth the greatest overturning of injustice in your life. I am releasing My justice over the injustice that was caused to you, and I am bringing forth a tenfold restoration and a double portion of joy! I am establishing My government in your midst, and you will now be set free from the shackles of this injustice; you will *run* into all I have for you and know joy like you have never seen before."

His voice continued to surround me as He said, "*I am turning the page on injustice.*"

I then saw a very large book in heaven, and the page was being turned. On the new page were the gavel of the Lord and the strategies of the Lord to bring forth His justice upon the earth.

Divine Intel to Overturn Injustice

In the vision, I saw Jesus standing over this book, and He

said, "Come and see."

I watched as many people in the body of Christ heard His invitation and began to position themselves in that place of intimacy with Him, to hear and see the divine strategies He was implementing in their lives and in the earth, in order to overturn the injustices. It was an invitation for the church to position itself close to His heart to receive the divine intel of heaven, with specific strategies to pray, decree, implement, build and partner with Him. It was an invitation to the people of God to take their place in governing as never before; a place where they will awaken to their authority.

The vision then shifted, and Jesus turned to the Lion of Judah, and He opened His mouth and began to roar. As He roared, those positioned close to His heart—those in the place of receiving what was written in this book in heaven—began to roar. There was a synchronized roar that was being released into the earth. As I listened closely, I heard these words in the roar: "I am changing history."

This declaration, which was coming from the mouth of God, was changing history in the lives of His people and in the earth. What has been will no longer be. The injustices will no longer remain. But what struck me about the roar, "I am changing history!" was that it flowed as a declaration from the people of God too.

In partnering with Him in how He is changing history in our lives, we, the people of God, were being positioned to overturn, change and shape history like never before.

That is what is at stake! That is what is happening! God is overturning, and He is changing and shaping history; He is bringing down these injustices that have raised themselves up against the plans of God in the earth.

The battle for many people has been over them taking their place with the Lord to see these injustices overturned by the

power of the Spirit. This is where everything changes.

The urgency of the hour is loud. It is critical that we, as God's people, are living close to His heart, listening to His voice and stewarding well that which He is asking of us, because where He invites you and me to partner with Him in seeing these injustices overturned—both personally and throughout the earth—is the place where history changes, and you get to be part of it. {eoa}
