

Prophetic Dream: 'There Will Be No Containing What God Is About to Do'

In May of this year, I had a dream of a tsunami wave spreading from the state of Florida all the way across the nation to the state of California. In my dream, I found myself running with a tsunami wave that originated in South/Central Florida.

As I ran with this particular tsunami wave that was gaining and picking up speed, I began cheering others on to run with me, as the waves swelled and flowed through streets, cities and neighborhoods, until it reached the West Coast; specifically, the state of California. At one point in my dream, I watched the flow of this tsunami wave move through the doorway of specific houses, while the people within the houses attempted to fit themselves inside of containers conducive to their size and liking.

When I stepped over the threshold of one of the houses in the direct path of this magnificent tsunami wave, I heard myself speak out loudly in the Spirit, *There'll be no containing what God is about to do through this move of His Spirit!*

When I began to pray recently and ask the Holy Spirit about this dream and what He was doing at this time throughout the earth, I was taken into a vision where I watched an arrow shoot straight across the United States and directly into the heart of California. Before watching this arrow soar across the sky and through the belly of our nation, I first watched the state of Florida being outlined as a prophetic marker for the end-time harvest. Florida was chosen as a launching pad for this particular move of the Spirit.

Florida carried the supernatural ingredients for releasing the glory of God in innumerable measures. Although Florida and

California appeared to be on the opposite ends of the spectrum, I sensed God had chosen the least likely candidates to manifest His blessings.

As I stood with a posture of peering into the spirit realm through this captivating vision, my eyes were fixed on the westward sky as the arrow of the Lord went forth like lightning. It was then that I witnessed the tip of the arrow impact the ground in California. When the tip of the arrow hit the hardened and barren places of the land, a ripple effect—caused by the arrowhead hitting its designated target—created a tsunami wave of outpouring and revival.

As my attention was drawn to the source of this arrow making its way to California, the sky opened up and dropped a lifeline floating over the Midwest of our nation. It was then that the hand of God appeared for driving a stake into the ground in the Midwest. As I watched this stake sink deep into the fertile soil of our land, a map of the Midwest appeared as a designated hub for facilitating a fresh move of the Spirit.

It was then that the Holy Spirit showed me a picture of the Hebrew letter *pey* and how *pey* in Hebrew is equal to the number 80. The number 80 is a pictograph of a mouth, which is linked and connected to the Word of God through His voice and for prayer. When I searched a little deeper to discover how the letter *pey* was relevant to what the Holy Spirit was uncovering, I learned that the letter *pey* in its script form is a combination of four other Hebrew letters. One of those letters is the letter *Kaf*, meaning a container for the soul. Another one of those letters is the letter *vav*, which means to join or a bringing together, and looks like a tent peg or a stake in the ground!

“Then the LORD will appear over them, and his arrow will go forth like lightning; the Lord GOD will sound the trumpet and will march forth in the whirlwinds of the south” (Zech. 9:14, ESV).

“Enlarge the place of your tent, and let them stretch out the curtains of your dwellings; do not spare; lengthen your cords, and strengthen your stakes. For you shall expand to the right and to the left, and your descendants will inherit the nations, and make the desolate cities inhabited” (Isa. 54:2-3, NKJV).

The Spirit of God has His eye on the new decade of 5780/2020. Another mighty outpouring of the Spirit is brewing strategically over our nation. The Spirit of God is stirring the waters from one coast to the other for ushering in healing and spiritual awakening across the land.

A tsunami wave of revival is on the precipice of breaking forth, bringing a convergence between the Bible Belt of South/Central Florida, the prophetic prayer movement from the Midwest; and through a reviving of the heart of Los Angeles, in the state of California. The authentic Word of God is being shot forth like an arrow in the quiver, for turning the hearts of the children back to their Father.

A lifeline has been extended from sea to shining sea from the heart of God for the delivering of a nation. Just like the Spirit of God promised restoration to the land of Israel in Isaiah 54, an innovative and distinctive sound is breaking forth from the bowels of our nation for expanding the tent posts of revival (Isa. 54:1-4).

The heartbeat of America is in position for a second chance at stewarding an end time harvest of souls. The apostolic and prophetic movement are getting a fresh wind beneath their sails. An adjoining or bringing together of nations, tribes, people groups, languages and tongues across the land is on the heart of God in this new era for building a kingdom that cannot be shaken (Rev. 7:9).

A connecting of the dots is unfolding in the Spirit. A scroll is unrolling with the blueprint of the plans of God written

clearly upon it. The Word of God is merging with the sound of heaven to make history across the earth. Nothing will contain what God intends to accomplish.

Where the soul of man gets in the way of the Spirit of God moving freely in houses of worship, the touch of God will awaken the sleeping from their slumber through a fresh baptism of Holy Ghost and fire. The *pey* of God (the mouth or breath of God) is releasing a new decree at this hour: *No more delay!*

From the southern tip of Florida to the state of California, God is ready to move through a tsunami wave of His Spirit. The arrow of God is piercing through the works of evil and darkness. The winds of God are expanding our reach with the pledge of restoration. The Spirit of revival has His eye on a new harvest of souls! Watch God highlight Florida and the West Coast in the days ahead. The crossover to a new decade is saying, "We're ready and willing to participate in what the Spirit of the Lord has in store."

"Do not remember the former things nor consider the things of old. See, I will do a new thing, now it shall spring forth; shall you not be aware of it? I will even make a way in the wilderness, and rivers in the desert" (Isa. 43:18-19, MEV).
