

Prophetic Dream: 'We are Positioned to Steward a Billion-Soul Harvest'

The Lord spoke to me in December of 2019 and said, "The month of February will be a 'game changer.'"

A game changer is defined as a new person, idea, event or protocol that upends the established order. A game changer is a newly introduced element or factor that changes an existing situation or activity in a significant way.

Something that is a game changer is radical and disruptive, usually in a positive way. The term *game changer* is a sports term that was adopted by the business community for describing a predicted or unexpected turn of events, and for changing the paradigm of current formulas or ways of operation.

"Can you not discern this new day of destiny breaking forth around you? The early signs of my purposes and plans are bursting forth. The budding vines of new life are now blooming everywhere. The fragrance of their flowers whispers, 'There is change in the air.' Arise, my love, my beautiful companion, and run with me to the higher place. For now, is the time to arise and come away with me" (Song 2:13-15, TPT).

With the Feb. 2, 2020, Super Bowl win of the Kansas City Chiefs, there's much abuzz about the "signs" of the times, with this most recent event being a prophetic marker to the billion-soul harvest. The prophetic significance of watching the Spirit of God move through supernatural signs no doubt provides confirmation of a God who finds pleasure in speaking to His people through object lessons and symbolism relevant to modern-day events.

According to the New Testament, the heart of God is to display

wonders in the heavens above and signs on the earth below, before the coming of the great and glorious day of the Lord (Acts 2:19). An increase of signs and wonders in the New Testament is specifically equated with a fresh outpouring of the Spirit, as a new breed emerges from the sons and daughters of God for awakening the earth through the King of glory (Joel 2:28, Ps. 24:7-9).

Although we aren't to seek signs in place of the voice of God through His Word or through the mouth of His true prophets, we are admonished by Jesus to discern the signs of the times for understanding the days and times in which we live (Matt. 16:1-4).

"See, I and the children whom the Lord has given me are for signs and for wonders in Israel from the Lord of Hosts who dwells in Mount Zion" (Isa. 8:18, MEV).

"I will show wonders in the heavens above and signs on the earth below" (Acts 2:19-20).

Here Comes the New Breed

On several occasions, the Father spoke to me about a move of the Spirit in Kansas City, Missouri (Kansas City Word). During a time of prayer in 2017, I had a vision of a great outpouring of the Spirit breaking out in the Midwest portion of the United States.

In this vision, I began to see pockets of glory moving across the belly of our nation with fresh baptisms of Holy Ghost fire igniting the bride of Christ. As I watched this move of the Spirit erupt across the land, a new wave of spiritual awakening was birthed from a consecrated breed of sons and daughters of God.

This new breed of apostles and prophets emerged, divinely empowered for gathering in an end-time harvest of souls. I understood this move of the Spirit would birth not only a new

sound across the land, but we would see the rise of a new apostolic and prophetic company carrying reformed characteristics for unlocking a move of the Spirit. This would be similar to how Holy Spirit moved on the day of Pentecost in the Upper Room (Acts 2:2).

This "New Breed Company" is anointed with the DNA for birthing change! They are assigned for upsetting the apple cart of an old wineskin by awakening the earth through an Elijah anointing of fresh fire and new power. God has anointed these ones to build and release pioneering moves of His Spirit to awaken the world.

The epicenter for this new breed carries Midwest roots for spreading generational seeds through the Man named Jesus Christ, His Father and the Person of the Holy Spirit. An apostolic remnant with prophetic genealogy is emerging from obscurity through the sound of a trumpet blast and with an awakening of revival. The heartland of America is positioned as a "game changer" for shifting the church into a historical move of God! A turning point for a new era is here!

A Dream of Bob Jones

Several years ago, I had a dream about the prophet Bob Jones. In one portion of my dream, I was approached by Bob, who handed me his baby to feed and take care of. After Bob made the exchange of his baby from his arms into mine, he then handed me a plate of apples, raisins and rice cakes for the baby to eat.

My first impression upon examining the food being served as the baby's immediate diet was that the baby was too immature to consume the food on the plate. It was then that Todd White emerged as a counterpart to Bob's strategy for fulfilling my assignment of feeding and caring for the baby. Before leaving, Bob turned to me in his familiar mannerisms and tone and said, "The baby can eat the food and he can feed himself."

“Sustain me with raisins, refresh me with apples; for I am faint with love” (Song 2:5).

Most of us are familiar with the story of Bob Jones and his home going being on Valentine’s Day, Feb. 14, 2014. The story is told that before Bob’s death he encountered a near-death experience where he witnessed God asking those ready to enter the gates of heaven if they had learned to love.

Apparently, Bob’s assignment on earth was incomplete, causing Bob to get a second chance for spreading the message of love, while the church awaited her time for pulling in the billion-soul harvest. Bob carried this mandate of love throughout his earthly ministry to herald a message to the church for returning to her first love.

I believe my dream pertaining to Bob positions us with the times and seasons of God for stewarding an end-time harvest of souls. I believe the church is on the precipice of reaching her full maturity for a greater outpouring of the Spirit to spread the love of Christ through the billion-soul harvest.

When I cared for Bob’s baby in my dream, I understood that the baby [revival] was sustained through the power of love and through a spirit of evangelism for impacting the world. I also understood that as the bride of Christ longs for her Bridegroom and positions herself through hunger, holiness and a deeper communion with the Father (consecration), hearts will be set ablaze with a passion for Christ, mirroring a Jesus People Movement in this new era.

The month of February is a “game changer” in many aspects, especially, with the signs of a great reformation being birthed upon the earth through the Super Bowl win of the Kansas City Chiefs. The most recent acquittal of President Donald Trump of all impeachment charges “changes the game” for many who questioned the hand of God moving sovereignly over the impeachment hearings. With the earth desperately seeking

for a city of refuge from the atrocities of this world, Jesus is on display for all to see in this new era!

The body of Christ is positioned as conduits for the Spirit of glory to move through, as a reformed church pioneers a “modern-day love movement” for gathering souls into the kingdom through a new outpouring of the Spirit.

Where the battle between light and darkness vies for the world’s attention, the Spirit of God is preparing His bride to hit the mark of her intended impact in this glorious new era! The Spirit of God spoke to me last year and said, “All the signs are there; pay attention.”

Watch for “game changers” in the month of February to accelerate you like never before. New territory, new assignments, bold moves for the kingdom and an acceleration of the gifts and callings of God on your life are waiting to elevate you to the next level. A move of God through a kosher breed is beginning to roar at this hour. The key to a new door has opened. A shift in the church has occurred.

But as Scripture says: “Eye has not seen, nor ear heard, nor has it entered into the heart of man the things which God has prepared for those who love Him” (1 Cor. 2:9).

“The key of the house of David I will lay on his shoulder. Then he shall open, and no one shall shut. And he shall shut, and no one shall open” (Isa. 22:22). {eoa}

Holly Watson is a prophetic voice with a mandate to awaken the bride of Christ to her end-times identity. Her passion is to release the heart of the Father in a pure and uncompromising way, while stirring this generation with the fire of the Holy Ghost. Holly’s desire is to see every person walk in liberty and freedom in Christ through the transforming power of the Holy Spirit. Holly ministers under a strong prophetic anointing and releases the healing power of the Holy Spirit under the Luke 4:18 mandate.
