

Prophetic Seer: What Jesus Did to Me in Heaven Made Me Weep

Prophetic seer Ana Werner says she had 30 days of visions in which she woke up and was in heaven. During one of those times, Werner told Sid Roth that Jesus washed her feet, moving her to tears. She says, "From that encounter, I've noticed His presence come so much thicker on me." She explains more in the video. What do you think? Let us know in the comments.
