

Prophetic Vision: The Lord Says, 'I Want to Destroy Every Limitation' on My People

As I was praying and worshipping in a service at our church, the Lord began to tell me to press in for breakthrough. After the Lord spoke this to me, I began to pray and contend for breakthrough for myself, for our ministry, for the body of Christ and for our nation.

As I prayed, I saw a vision of what looked like lids or caps over people's heads, and the Lord was shattering them. I knew immediately the Lord was saying that He wants to shatter and destroy *every limitation* His sons and daughters may have in this season.

God is going to remove every limitation that you have placed on yourself, that others may have placed on you and those limiting lies that the enemy has tried to make you believe. God wants to destroy every single one of those limitations and set you free.

All He Needs Is Our Yes

All we have to do to live limitless is to respond in obedience to God and to His word over our lives. All God is waiting on is our yes, and He will step in and make us limitless.

In this hour, invite the Holy Spirit into every area of your life and your heart and watch what He is able to do. When God comes on the scene, dry bones begin to live again. When God comes on the scene rivers burst forth in deserts. When God steps on the scene, the impossible becomes possible. Whatever you are believing God to do, He can and will do it; you just

have to respond to Him in faith and with a fresh yes from your heart.

Child of God, Don't Settle for Anything Less Than the Best!

As His children, we do not have to settle for anything less than the very best that God has for us. There is no limitation or ceiling or cap that can stop you from what God has for you unless you let it. Don't settle for anything less than the supernatural and the miraculous in this season.

No matter how long you've walked with God, there is always going to be more for you. God has a new level and new place for you to step into with Him, but those limitations you've learned to live with can't come with you into the next season. If you will say yes to God, the lids are coming off and you are going to live "limitless" with God!

Scripture is full of the stories of ordinary people who had been with God doing the impossible. That is your inheritance and this is the family you belong to as a child of God.

You are meant to live without any limitations hindering you so you can bring hope and breakthrough to every single situation and person you may encounter. It is time for the lids over your life and your walk with God to be lifted, and it is time for you to live without limits! {eo}
