

Prophetic Warning: The Witch Movement's Next Big Target

It's been nearly a year—it was Nov. 15, 2017, to be exact—that I blew the trumpet on the Christian witch movement brewing in the spirit. I issued a strong, bold prophetic warning about Christian witches rising using the name of Jesus.

Now, here's another one.

I am warning of the witch movement's latest target, as well as exposing one reason why the witchcraft movement is gaining so much momentum in this season and more.
