

# Prophetic Word Declares God in Charge of Media, Reveals 'Lying Spirits'

Kerry Kirkwood joins Sid Roth on *It's Supernatural!* to share a special revelation the Lord gave Kirkwood regarding the upcoming election and what to expect in the coming months.

Kirkwood, founding pastor of Trinity Fellowship in Tyler, Texas, and known for his accurate prophetic words of knowledge, received a vision from the Lord.

"I heard an internal voice inside of me that I knew to be the Lord," he said. The Lord first told Kirkwood, "I am in charge of the media" and then brought to mind the events of Ahab and Jezebel in 2 Kings 22:22.

"Everything we see is filtered through fear; or we can hear what God is saying and filter it through light," Kirkwood says, referencing the highly polarized media views.

On what the Lord will do with Trump, Kirkwood says the Lord told him: "It will show the lying spirits for what they are. And people's eyes are going to be open, and truth is going to come in."

Sid Roth commented, "You mean God's going to trump Trump?"

For what it means for the Lord to "trump Trump" and show the weight of His glory, watch the full interview with Sid Roth and Kerry Kirkwood [here](#).
