

Prophetic Word: Everything Is About to Fall Into Place

The Spirit of the Lord spoke to me and said, "Everything is about to fall into place." I asked the Lord if He was speaking this to just me, or if this was a word for many other people. The Lord immediately spoke to me, and I knew this was a word for so many people in the body of Christ in this hour.

Many have been through years of difficult circumstances, faced roadblock after roadblock and withstood intense spiritual warfare. The delay you've been experiencing has left you weary, discouraged and wondering, *God, when am I going to get my breakthrough?*

My friends, this is your season! This is a season where everything is about to fall into place. As breakthrough comes and things are falling into place you will be able to look back and see what God was doing the whole time. Past seasons of trial, tribulation and delay will make sense in light of what God is about to do in your life!

Everything God has promised you is coming to pass, and everything you need to move forward toward your destiny is falling into place. God wants to move you forward in the season.

As He moves you forward, the delay that has kept you from your promises will be broken, and you will get take hold of what you have been believing for so many years! This is a season to advance. Go after all that God has called you to and draw near to Him in this season.

In this season, you will see all of those things that you never could figure out how it would happen will begin to fall into place. Make fresh decrees and declarations over all of the prophetic words God has given you.

When the apostles were in the upper room on the day of Pentecost, the Bible says that “Suddenly a sound like a mighty rushing wind came from heaven” (Acts 2:2a). They had been praying in the upper room for 10 days straight, but then their “suddenly” moment came, and everything changed in a moment!

It may feel like you’ve been stuck in the pit, hitting the same roadblocks and going around the same mountain for years, but those things you have been praying for are going to suddenly manifest in your life. Sudden solutions are coming to the situations you can’t seem to figure out.

Breakthroughs are suddenly coming to those things you have been praying for. When you are in the perfect timing of God, what used to take you an hour will only take you 10 minutes. This is a season where things are falling into place, and things that have been difficult will suddenly come to pass.

The wind of God is going to hit what you have put your hands to, and delay will be broken off of your life! This is a season to advance with confidence because everything is falling into place! {eoa}
