

Prophetic Word: God Is Ending Abortion in America and Raising Up a Samuel Generation

On December 31, 2019, the Lord spoke to me and said, "I am ending abortion in America." I could feel the finality in the tone of His voice.

There is nothing that can be done to reverse this edict. No further comment, prayer, argument or discussion is needed to convince the Lord. He will have His way. Yes, the Lord will still instruct His saints about spiritual warfare that will be required on our part.

Yes, we should still come to Him with praise and thanksgiving, but we no longer need to petition the matter; we only need to submit to this move of God. There will still be much tribulation that will follow, and the overturning of *Roe v. Wade* will be the first of many dominoes.

Since this word was spoken by the Spirit of God, I have paid close attention so that I could witness the fulfillment of His word. He has revealed to me that this will be one of many issues that will continue to divide our nation as the decision will be sent down to the state level.

Pro-life states will advance to sanctuaries for the unborn. Pro-abortion states will upgrade to pro-infanticide states. My body, my choice will advance to my life, my choice. Suicide will become "their truth" just as sexual mutilation has, and "post-pregnancy fetuses" will be conveniently traded for a profit. But this will not last.

The righteous will not allow these atrocities to continue, and the Supreme Court will be faced with a decision. Similar to the ending of slavery, either criminalize the murder of the unborn or witness a civil war. There can be no bipartisanship.

You can't agree with a spirit of death and pretend to limit murder to the unborn. I believe that these are two prophetic paths that could be taken, depending on the choices of men and women in power. Either way, abortion will come to an end. It's the nature of the kingdom. Light and darkness both advance, but one, in every situation, will be overtaken.

On June 12, 2022, I received another prophetic word about this matter. I heard the Lord say, "This next generation will be a Samuel generation dedicated to the Lord." As I heard this, revelation flooded my mind. As we see in 1 Samuel chapter one, Hanna was barren and without child. Drunk with sorrow, she vowed that if God were to give her a child, then she would dedicate him to the Lord.

In those days, the sons of Eli had made a mockery of the house of the Lord. This represents our current generation. The sons of Eli had become greedy by taking meat from the sacrifice that they were not to touch. They even took the fat of the meat by force.

America has become greedy by compromising the sovereignty of our nation through national debt. The sons of Eli were laying with the women serving at the entrance to the tent of meeting. American politicians have allowed their nation that was founded through covenant with the Lord to be given over to sexual immorality.

As Eli said to his sons, "If someone sins against a man, God will mediate for him, but if someone sins against the Lord, who can intercede for him?" God's punishment was that every man of Eli's family shall never be an old man. In other words,

the lineage of the generation of Eli that has allowed America to fall into corruption will end with Samuel (the first generation in America born under the criminalization of abortion).

I can see an army of intercessors, advocates of the unborn, led by Jesus, standing before the throne. You may be one of them. You have been begging God for a generation of babies that would not be sacrificed on the altar of Baal. Our nation has become barren, but God is answering the prayer of Hannah.

The Judge has heard the request from His son. If God would end abortion in the earth, beginning with America, then Samuels, who spend their days in the presence of the Lord, would flood the nations.

Just as God gave Jesus away at His birth, so too will the Hannah's of intercession give away an entire generation. They will cause our nation to rise to a level of kingdom glory that God has destined for America. {eoa}
