

# Prophetic Word: Heaven's Nets Are Being Drawn for the Final Harvest

In a recent meeting, as a Middle East missionary testified of the many miracles of salvation among the Muslims, the babe leaped within my womb and the glory of God filled me. When I awoke the next morning the utterance that I had in that meeting was still upon me. Here it is: A message for the body of Christ:

“Too many of My people are tuned into earth's realm and the news and activity of what they hear and see. The lies and gross darkness and evil of an antichrist system has them bound to this world. And so the love of many is waxing cold, and fear grips many hearts at what is coming on the earth.

“But tune in to heaven's frequency, and you will see and hear something very different. For I tell you now that here in this place the sound of joy and great rejoicing is increasing for the repentance of many who are coming home. The activity of heaven is moving at an accelerated pace now, for the final harvest that is being reaped has begun.

Let your senses be exercised to hear what the prophets of old longed to hear of this great salvation that is springing up from every tribe and tongue and nation on the earth even now. Listen to the sound of the cheering of this great cloud of witnesses, who are cheering on the laborers sent by the Lord of the harvest to the many ripened fields.

“Yes, I say, tune in to heaven's sound of those many hearts who are turning to Me in this very hour and the pitter-patter of many feet who are running into the Father's arms—even the sound of singing and angels rejoicing at the many prodigals who are among them. Listen to the sounds of joy and great

rejoicing here in this place. Tune in to the many preparations now being made as heaven's nets are being drawn for the final harvest of the nations.

"Set your affections on things above, not on the things of the earth. Learn to live in both realms, but set your focus on the more exceeding eternal weight of glory of the precious fruit of the earth the husbandman has been waiting for.

"For your light affliction in a world without God and gross evil and darkness is but for a moment, but as you look to eternity and set your heart upon Me and the harvest now before you, it will work a far more exceeding and eternal weight of glory. So look and listen and tune in to heaven's frequency and heaven's realm, for the things of this world which you see are temporary, but the things which are not seen are eternal.

"See the heightened activity of heaven's preparations. Hear the joyful sounds of all of heaven rejoicing in the Father's grand plan and the consummation of the ages. Oh My people, seek no longer the temporal, but the eternal. Launch out into the deep and draw your nets for a great catch, and you'll find great joy in the co-labor and travail of the Son's great sacrifice, which is His reward. {eoa}
