

Prophetic Word: I Heard the Words ‘Anticipation of Celebration’

Heaven is just so different from the view from earth right now that it can almost seem insensitive. You see, heaven is not given a purview of all the darkness we see and feel. There is no rehearsing of any of Satan’s supposed present “victories.”

Neither is there sadness, nor do the “testimonies” that lead to sadness exist in heaven. They do not pass around video clips of death and destruction from earth and look at each other, shaking their heads with distress. Yes, it seems like such insensitivity. Heaven does not “weep with those who weep” as no tears exist in heaven (see Rev. 21:4), unless they are of the category of “too good to be true” tears.

The Father’s Narrative

Heaven already lives in the future and has already seen the redemptive outcome to every concern we presently carry, so sadness and tears are not only pointless, but impossible to drum up. There is no fasting in heaven in order for things to change.

There *are* agreement prayers throughout heaven for those who look down on loved ones and are shown God’s future for the situation. But everything operates in an atmosphere of victory and joy. When Father wants heaven to know about something really exciting on earth, He tells those there the joyous conclusion of a matter, and they have a massive celebration.

The Father’s narrative to what is happening is shared with all, and loud shouts of merriment are expressed from all. It is “prepare for party time” in heaven—even while on Earth we do experience some tears, some fears, some fasting and some

praying. It is appropriate for us to experience this here, but if we could see heaven, it would greatly balance our perception and allow us just as Paul and Silas, locked up in prison after being beaten, joined in heaven's joy in a premature-seeming way (see Acts 16:16-40).

A Glimpse of Heaven: Celebration Is Now

You see, I was just given a glimpse of heaven at this moment. Father has called for a big celebration for the victory in the present global standoff with darkness that we find ourselves in. It is a big deal for Father and the angels.

I heard the words, "Anticipation of Celebration" and saw that this is the *now* reality. As I look ahead, I see the celebration itself, and it is wild and crazy in an entirely heavenly way. It is ecstatic. But right now, there is hurrying and scurrying in preparation of a great celebration, such as not been seen in a long, long time. He is calling for something almost unprecedented.

In my glimpse, I am shown a very cheerful lady who is preparing to make a huge "batch of cookies." She is setting up for it with incredible zeal and excitement, and it seems her cookies are already famous in heaven. She is making what she calls "Celebration Cookies," and as I look in the future, I see they are large, colorful and have a lot of pink everywhere. I can even smell them.

Anyone ready for *on earth as it is in heaven*? Well, hold the line on everything good we have prophesied the last couple of years. Nothing has changed on the majors. God's reset is abolishing the devil's reset, and it is already *done*.

"Our Father who is in heaven, hallowed be Your name. Your kingdom come;, Your will be done, on earth as it is in heaven" (Matt. 6:9-10).

Go ahead and peek into heaven with your spirit-eyes. When done

writing this, I'm getting in line for the Celebration Cookies. Maybe I'll get the first batch.

"Anticipation of Celebration" is real and will strengthen you!

Rosh Hashanah 2020 Word

Note: Johnny Enslow also read a portion of a word he released previously on the Elijah List just after Rosh Hashanah 2020, which he reminded us is happening now:

God Will Jump-Start It for 20 Years

This is now a prophetic segment. From 2020-2040, God will jump start this turnaround almost unilaterally. By that I mean, He will ask for our cooperation with what He is doing but will not be dissuaded, even if we don't.

For 20 more years, *He* is choosing our president in the USA—as it is on behalf of the nations. After that, He will let us choose and trust we are on track enough to recognize His preference. But He is exerting His "ruler of the nations" rights to do some unilateral things. He has the double rights of Creator and of subsequent Redeemer.

We are headed into a Luke 14:23 day, where if those who are supposed to work with Him, won't, He will recruit from "the highways and byways." He has a "great supper" to share with all the nations *before* He returns, and entire denominations and movements could miss it without some 180s-degree turns. "Repent" to His kingdom priorities. Jesus is still saying, "Your kingdom come!" He is still ignoring, "Please, take us away."

They were a tiny microscopic minority up against the cruelest of antichrist regimes, and yet in John 17:15a, He said, "I do not pray that You should take them out of the world." How much more now that He has died and sent the Holy Spirit as *Helper*? Is this *Helper* here to assist in an exit plan or a kingdom

reveal? Exit plans don't require help.
