

Prophetic Word: 'Intercessors of America, Arise—and God Will Strengthen Our Hedge of Protection!'

Recently, I had a very powerful and profound prophetic dream about U.S. President Donald Trump. As soon as I awakened from this dream, I felt an urgency in my spirit to release this dream to the American people. As soon as I woke up, I asked God to speak to me at a deeper level to give me clear insight on what I saw in the dream.

In the dream, it was as though I was seeing things from a heavenly realm and a higher perspective. The Lord showed me a live vision of President Trump and a number of our national leaders. The national leaders were leaders of many different divisions and departments of America as well as the senators and governors from numerous states, Republicans and Democrats alike. There was a hedge of protection around President Trump and the key leaders of America. It was as if an angelic host had created a sphere-like barrier around President Trump and the national leaders. Even though there was a huge demonic attack and presence surrounding these national leaders from every side and covering them, the hedge of protection was all around them and above them. They were completely protected from this demonic attack. It was as if they were enveloped in a huge bubble of divine protection.

In the vision, the enemy was trying to find a way to penetrate the covering, and the hedge of protection was getting smaller and weaker by the minute. The attacks, schemes and tricks of the enemy were getting closer and closer to our president and the national leaders. As these attacks were getting stronger and closer to President Trump and the different national

leaders I could tell that the enemy was strategically trying to block out their clarity in decision-making and strike fear into the hearts of the leaders.

Then as I came out of the dream and began to wake up, the Lord showed me very plainly the plan that He has. The Lord said, "If the intercessors of America will arise in this hour the hedge of protection will become stronger. It will push back the resistance of the enemy." The Lord spoke to me about telling the Christians to start praying like never before for a hedge of protection to grow around our president and the key leaders of America. We must pray that the Lord will release His angel armies to be dispatched to guard President Trump and our other national leaders. The Lord showed me that the stronger the hedge of protection is around our leaders, the farther away we can drive back the attacks of the enemy. The more wisdom and clarity our leaders have, the more key decisions will be made. The enemy is trying to cloud and confuse their decision-making process but as we pray, the enemy will be defeated!

So many people in America are speaking word-curses over our nation, our president, our senators, governors, officers and other leaders. The Lord spoke to me to warn and teach people that these word-curses are used mightily of the enemy. This is why the Lord said we must speak blessings out of our mouth over our nation. This is the season that the children of God, through their declarations and prayers, can bring change and a huge shift to America. Let no negative word come from your mouth over anybody in a governmental position. We must declare the kingdom of God to come forth in our nation, in this hour.

The next 90 days will shape the rest of President Trump's presidency. The next 90 days will be shaped by the intercessors and prayer warriors who are declaring and praying this hedge of protection and angelic host around our nation's leaders. We must pray for America and our president. The next 90 days will help shape America for the next 30 to 40 years. I

encourage everyone to fast and pray for America and our government leaders, as well of the leaders of the church of America, like never before! {eoa}
