

Prophetic Word: Listen to God's Prophets, and You Shall Prosper

Ryan LeStrange says that the mandate of 2 Chronicles 20:20b still stands today: "Believe His prophets, and you will succeed." In his weekly prophetic word video, LeStrange says, "When the voice of God is known [and] the plans are known, increase is the result. When you step into the mind of God [and] you step into revelation, increase is your portion." Do you agree? Watch the video and share your feedback.
