

Prophetic Word: Prepare for a Billion Soul Harvest in 2020

Patricia Bootsma says that God is preparing for a “billion soul harvest” that will begin next year, in accordance with Bob Jones’ prophetic words of “global harvest” in 2020. Bootsma’s comments came in a recent video posted by Catch the Fire Toronto.

“I believe the Lord is really highlighting His Son Jesus for us to radically fall in love with Him in a new way,” Bootsma says. “I have a burning word in my heart for this year about get to know Jesus Christ. Get to know Him through the Word. Get to know Him through His voice. Get to know Him through His presence. I’ve been a Christian for 40 years. I just feel like the Lord’s saying, ‘You know what? There’s way more about Jesus Christ that you don’t know. I want you to know Him. I want you to love Him.’ ... And why I think that is happening is because this is unto His return, but it’s also unto this billion soul harvest. It’s unto a harvest of many, many souls coming in ... which I believe is a trickle right now, but it’s going to be like a flood, I think. I believe Bob Jones’ words about 2020 being a real year of the kicking in of the global harvest, that there’s going to be another level of the harvest coming in 2020.”
