

Prophetic Word: Watch for God to Bring Waves of Change in 2022

Word of the Lord given on Jan. 27, 2022:

Praise be to Almighty God who is high and lifted up, who spoke to the mountains and they were; who spoke and light came forth! The earth is indeed His footstool. All glory and honor and power to Him forever and ever, amen.

A Revealing Geyser and a Burning Bush

The Spirit of the Lord says this day: "Your nation, O America, has been chained and weighed down with falsities; with the pitfalls of religion; with bubbling propaganda and deceit. Like bubbling springs, these corrupted, contaminated waters have flowed through areas of America. And the water that I the Lord give, you shall never thirst again, for it comes from a righteous source. I the Lord am changing and shifting the sources of information, for a geyser is about to *spring* forth with pressure and force. And this geyser shall be oh, so revealing," says the Lord of hosts.

The Spirit of the Lord says this day: "A thick hedge of brambles and briars have formed in states' capitals and nations' capitals, ensnaring those who proclaim to lead. However, there is no 'leading' happening; they are not moving, ensnared with briars and thorns of their own making and cultivation. And now is the time where such bushes and brambles shall be ignited and burned," says the Lord of hosts this day.

"A burning bush, a burning bush—this you shall see," says the Lord of hosts.

A 'Title' Wave Is Coming

The Spirit of the Lord says this day: "Watch off the coasts as blocks and stocks, including offshore accounts, will freeze and drop. And just when it appears another climb shall happen, a crash of banking systems overseas including futures and bundles, shall occur and make a wave across nations—a *title* wave of great capacity and importance. And this wave so shall carry in with it a changing of the guard and a *switching of titles*, as a *fast switch* of leadership shall occur to hide the shortcomings and weaknesses and scandals of such. However, it will be plain to the people that their iron veil of secrecy has dramatically weakened and so shall tear at the seams, and it shall be *torn down*," says the Lord of hosts this day.

Battleships

The Lord of hosts says, "Battleships, battleships ... watch and see, as restlessness within nations turns to altercations of not-so-familiar enemies, who at one point were allies, [now] turned because of sour deals, ammunition and stocks promised that there was never delivery [of]. Watch for a sudden turn in the page of this story, as some leaders will even beat their chests in a grand show to hide their weaknesses," says the Lord of hosts.

A Shifting in America and a New Kind of 'Trump'

The Spirit says, "There is an announcement this day of a shifting underneath the ground that shall be felt in more than one state of your nation, O America. This shall come forth as a sign that plates and party lines and titles and positions in your nation are shifting, O America. The shaking and shifting must occur—the sifting of the hearts of leaders—and who is left is the one the Lord God has chosen. O America, watch and see the Lord high and lifted up. O America, look to Him; submit to Him. For it is the Lord who will redeem your nation, O America, not a man."

The Spirit says, "The Lord God Almighty is going back into your nation's history and correcting what went astray—temptations and choices made of the flesh and not with the vision that only the Lord God can give. And one who has endured the smears and trials of Washington shall arise in your nation—one who has been on the battlefield, O America, and one who is another kind of 'Trump.'"

A River Runs Through It

The Spirit of the Lord says this day: "A river runs through it ... a river runs through it. Watch and see, for an event that shall affect the nation shall occur near such an area."

A Loud Crash to Break What Is Corrupt

The Spirit of the Lord says this day: "Entities made of silicon, and those in valleys, and those of the 'press nature' are set to collapse. Their last leg is being knocked from under them, and the crash will be loud," says the Lord of hosts. "Crashes are necessary to break what is corrupt, to bring low [those who] lifted themselves up in their hearts and spoke forth, 'We are untouchable. We are on high,'" says the Lord of hosts.

I, the Lord Thy God, Am Wrestling the Bear

"I shall bring you down low, O leadership, O house. I shall bring you down low, O Russia, as you snarl looking to advance upon prey. I, the Lord thy God, am wrestling the bear, and their leadership shall suffer yet another strike and a blow to the head for their advancement against such. And those who are secretly backing them in this maneuver shall be exposed."

Heart Palpitations in the House

The Spirit of the Lord says this day: "Heart palpitations in the house as seats flip and flop, as those who are seat warmers in both parties shall be ejected and bumped, for the

tables are turning, the control is shifting and they are losing their grip.

“Those who have held hands in the back room and made a human chain shall now be broken and severed down the middle; and their ability to manipulate shall die out as they mixed red and blue to indulge themselves at the expense of the people, thinking they were in a league all their own. And now they shall be in a league ... a hall of shame shall surround them as I the Lord rule it forth, and it shall be so.”

An Animal Thought Extinct Shall Be Found in the Deep

The Spirit of the Lord says this day: “An animal, thought extinct, shall be found in the deep, and it shall be a sign that what has lain hidden for a time and a time in the shadows shall now, suddenly, be compelled out by My word and emerge; and it shall change the narrative of what the nation thinks and who should lead and who should not.

“For I, the Lord your God, am calling forth a new breed with the humility produced in trial by fire and the testing that has brought forth endurance—men and women of plain speech. However, it shall be as sharp and piercing as an arrow, for they shall serve their nation in a different capacity,” says the Lord of hosts. “And as I mold them more and more, they shall emerge to the forefront with the mantle of the nation upon them.

“Watch and see, as there are more twists and turns on this road that only I the Lord your God know. And I will reveal to those with a listening ear to speak what I say to the people now—not what or whom they want to hear.

Tick Tock

The Spirit of the Lord says this day: “Tick tock ... just watch as the technology front is changing and those who are wickedly scheming with plants, chips and brainwaves reversed shall see

a great malfunction in their creation that shall compromise their grand plan, for technology is no match for the power I, the Lord your God, demonstrate to man.”

From the Mountains, to the Prairies, to the Oceans White with Foam

The Spirit of the Lord says this day: “From the mountains to the prairies to the oceans white with foam, God bless America and God save America, for the nation’s plan is not yet done. Watch these *three areas* for events to rise up that shall issue major blows to the current administration, whose complacency and indulgences in the flesh, and the cups of power they so did fill, shall now, suddenly, have cups knocked over. And there shall be such a spill—oh, the spill shall be great—and that is when more of those who have been focusing on screaming and attacking My children shall see a wading pool [that] they will wallow in of their own making.”

Amanda Grace and her husband, Chris, are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley), walking out the commission in Mark 16:15: “Go into all the world and preach the gospel to every creature.” They minister to all of God’s creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible, as well as the times when it was written, to understand the true context of the Scriptures and apply them to life. Another way that Amanda and Chris minister at Ark of Grace is through their animal sanctuary, where they take in lost, abandoned, disabled animals and show them the love of God. Amanda also takes care of Chris, who sustained a traumatic brain injury in January 2019 and miraculously survived. They have both experienced and understand the incredible power of Almighty God and how He redeems! They

teach others—through their testimony, biblical teaching, the prophetic and life lessons of caring for the residents of their animal sanctuary—how the Lord can move in every circumstance of life.
