

Prophetic Word: The Books Are Open and the Scales Have Tipped

As we were coming into the month of June, the halfway point of the year, the Lord began to speak to me that we are at a tipping point. How we position and posture ourselves in this month will set the tone for the next six months.

A tipping point is a series of small changes or incidents becomes significant enough to cause a larger more important change. It's a critical point in a situation, process or system beyond which a significant and often unstoppable effect or change takes place, according to . Another word for tipping point is a "turning point." A turning point takes place at a critical moment in time where it releases change.

We are at this point in this time and in our nation. The tipping point is here. Which way will it go?

When the Lord began to show me these things, I saw a scale. One side of the scale was weighted down because of the evil and injustice escalating. Proverbs 11:1 (NLT) says, "The Lord detests the use of dishonest scales, but he delights in accurate weights."

The Lord told me that in order to balance and tip the scale in the right direction, "My people must release the power of the decree. It's the power of the decrees of heaven that will shift the scales." Job 22:28 declares, "You will also declare a thing, And it will be established for you; So light will shine on your ways."

That word "decree" in the Hebrew, *gazar*, means to cut in two, cut down, cut off and destroy. Decreeing isn't just releasing a powerful statement. When you decree the word of the Lord,

you cut off and destroy what's not like God. The word "establish" in Hebrew, *qum*, means to stand, to be fixed, to arise and set up. When we declare and decree, we establish and put the Word of God like a stake in the ground.

The powerful thing about decreeing and declaring is that we're not just releasing a statement. When we decree, we are legislating the law of the kingdom of God into being. In order for it to be on earth as it is in heaven, we have to decree and declare what heaven is saying and doing so earth can reflect heaven. We do this by faith.

Hebrews 11:1 (NKJV) says, "Now faith is the substance of things hoped for, the evidence of things not seen." Faith is the spiritual substance or currency we use to bring heaven on earth. Faith enables us to make the unseen realm become a visible reality on the earth. When you decree and declare and allow God to establish, everything has to shift and come into agreement with the declaration. It has to come into alignment because the authority or the kingdom of God is greater and trumps the earthly realm.

Don't be silent in this season. Open your mouth and begin to declare what heaven is saying. The Word says what we loose on earth will be loosed in heaven and what we bind on earth will be bound in heaven (see Matt. 18:18).

In the month of June, there has been a great tipping point for America with the overturning of *Roe v. Wade*. The scales have been tipped in favor of justice over America.

In June 2020, I had a dream where I went to the courtroom of heaven and I was standing in front of the court with the books of justice open. I began to prophesy to the court and the leaders there, that God was releasing His justice in this hour. I declared the Lord was dealing with the injustice in the land and that He was bringing down those who had exalted themselves and He was raising up the humble.

The books are open, heaven is reviewing your case. I declare and decree just as abortion was reversed, there's a divine reversal being released over your case in Jesus' name. You will see and experience the turnaround in this. As the scales have tipped in justice over America, there is a wind of justice that will sweep over this nation. Justice is bringing order.

In the Month of July, Enter the Promise Through Rest

One of the things the Lord has been speaking to me as we step into the month of July is the word "rest." July is the seventh month. We are familiar with the prophetic meaning of seven representing completion and perfection. I declare and decree that anything crooked or standing in front of you, the Lord is perfecting it.

Another prophetic meaning of the number seven is rest. In Genesis 2, it even tells us the Lord rested on the seventh day of creation and declared it was a good because it had come to completion. We're in a time and hour of transition. Many things are coming to an end so the new things can start. We are seeing this in the nations, the church and in our personal lives.

The way is being made for us to enter into the rest of God. The rest of God isn't just laying down or doing nothing. The rest of God is a place and realm in God. It was always the heart of God for His people when they came out of Egypt to enter His rest which was represented in the Promised Land.

The Promised Land was a type and shadow of what the Garden of Eden was. In the garden, Adam and Eve didn't have to strive and labor, they rested and abided with God. The Israelites had a hard time grasping this concept of rest because they had been in a place of constant labor and slavery. Even when they physically came out of Egypt, they were still mentally and emotionally in Egypt which caused them to miss entering into

the rest and promise of God.

What has been taking place in our nation of America is a prophetic picture of what is taking place in the spirit. There is deliverance being released on many levels. As the scales have tipped, deliverance has been released. Deliverance makes way for us to enter into rest.

As we enter rest, we enter into the promises of God. How do we enter into the rest of God? Faith. Hebrews 4:2-3 (NLT) says, "For this good news—that God has prepared this rest—has been announced to us just as it was to them. But it did them no good because they didn't share the faith of those who listened to God. For only we who believe can enter his rest." Faith will give you access to this place in God.

There are times we have to war to enter into promise, and there are times rest gives us access to the promise. Ecclesiastes 3 teaches us there are times and seasons for everything. This will be very vital to discern in the days ahead.

Another revelation about entering the rest of God is that its part of the system and dynamics of how the kingdom of God works. While things are in chaos, strife and fear because of the world systems, as the people of God we have a different system under which we can operate that trumps the world systems.

Hebrews 4:9-10 says, "So there is a special rest still waiting for the people of God. For all who have entered into God's rest have rested from their labors, just as God did after creating the world." The place or the realm of rest is our portion. Rest in what the Lord has done. Rest opens the way for new beginnings as we enter into the month of August. The books of justice are open. Watch God move on your behalf. Divine reversals are being released and there is victory in the land. Enter into His rest. {eoa}
