

Prophetic Word: The Breaker Wave Shall Come

God is preparing to come, to break into the world situation as the breaker. According to Scripture, the breaker rested on the head of a people—an army, prepared to fight with Him to break through the barriers and obstacles, attempting to restrict the way of the presence.

“The breaker is come up before them: they have broken up, and have passed through the gate, and are gone out by it: and their king shall pass before them, and the LORD on the head of them” (Micah 2:13, KJV).

Jill Austin gave a powerful description of the breaker anointing, she said: “A breaker anointing is a catalytic deposit of the Holy Spirit where eternity breaks through into the natural realm. It’s a holy invasion where the gates of heaven are breaking open with visitations and salvations, healing and deliverance. The breaker anointing is the core anointing of the apostolic church.”

A Breaker Wave Comes!

The warfare is about to ramp up and intensify as His presence draws ever closer. A tidal wave of God’s presence is about to break over the earth, a wave that will bring great turbulence, change and glory. As I was pondering this wave, I heard the Lord say to search the words “wave” and “breaker,” and was both stunned and shaken by what I found:

Wikipedia says, “In fluid dynamics, a breaking wave or breaker is a wave whose amplitude reaches a critical level at which some process can suddenly start to occur that causes large amounts of wave energy to be transformed into turbulent kinetic energy.”

There is much to unpack in this definition in regard to what God is revealing. When the wave pulls back and reaches the critical point at which its energy level is at the maximum, it means something is about to occur. A new process is about to begin. Large amounts of wave energy is then released and transformed into turbulent kinetic energy.

This is tremendous energy that creates movement—a movement of uncontrolled ferocious power readied to be unleashed. Why did God tell me to check these words and what is He saying to us? I believe He is saying to be ready for what is about to break over earth.

I remember watching videos of the great tidal wave of 2004 in Thailand as it roared and swept over the land, uprooting and moving everything in its path—boats, cars, trees and even buildings: nothing could resist the power and the energy of the wave released—yet many did survive. Those that were able to survive did so because of three main reasons: They clung to something secure that was immovable, like certain trees and certain objects. Some were able to get to high ground and were safe, and others were able to flow with the wave and were miraculously unharmed—many experiencing supernatural miracles.

These are important principles for believers to adhere to in these times. We must cling to a secure, immovable thing: Christ. Your relationship with Christ must be secured and anchored—He is our strong tower of refuge. The high ground is also the place in Christ we must learn to occupy and dwell, before the shaking begins. And lastly, we cannot forget the miracle working power of God to supernaturally save in any situation we may face. Without fear we can ride the waves and the heights with Him to rescue those that are lost.

In the coming days, to be securely grafted into the place where the Lord has chosen to secure Himself, is to be safe and blessed. Israel is the center around which everything in the world revolves, as it is the seat of the throne from where the

king will sit to judge the earth. This is the time to be fully aligned and secured in Yeshua in all His ways, virtues and the dynamics of who He is as a son of Israel.

“Israel has experienced a hardening in part until the full number of the Gentiles has come in, and in this way all Israel will be saved. As it is written: “The deliverer will come from Zion; he will turn godlessness away from Jacob” (Rom. 11:25-26).

“In the last days the mountain of the LORD’s temple will be established as the highest of the mountains; it will be exalted above the hills, and all nations will stream to it. Many peoples will come and say, “Come, let us go up to the mountain of the LORD, to the temple of the God of Jacob. He will teach us his ways, so that we may walk in his paths.” The law will go out from Zion, the word of the LORD from Jerusalem” (Isa. 2:3).

Israel is the high ground where we must find ourselves to be safe during the coming tsunami wave and shakings hitting the earth. Everyone must do *aliyah* in the Spirit, returning to Jerusalem: our future home in the king. Set your anchor in Yeshua, king of Israel, “*Blessed is the king of Israel!*” (John 12 :13).
