

Prophetic Word: The Lord Is Raising Up New Culture Shifters

"I see a *new movement of freedom fighters, riders and writers* rising up with a voice of change, reform and justice in their spirits and with a cry of liberty in their souls ...

... I saw the Lord blessing and anointing the African American community in the United States with great recompense and with a strong and usual grace to rise up and to stand tall and strong, in the spirit of love, humility, unity, righteousness, reconciliation and mercy...

"The black community will lead the way, says the Lord! ... Africa will lead the way!"

There is a move taking place and the Lord is raising up a new breed of culture shapers and shifters such as Rev. Martin Luther King Jr. to make history and to leave a mark and legacy of godliness.

I saw a mantle such as that of William J. Seymour, the founder and leader of the historic Pentecostal Azusa Street Revival in 1906, come upon many individuals in this season. I heard the Lord say, "Watch what I will do in the black community!"

"Black millionaires, billionaires, thought leaders, politicians, pastors, scientists, engineers, doctors and teachers are rising up with the Spirit of God! Everything is changing," says the Lord!

The *best* has been saved for last. The Lord is about to show up and show off in the black community with the greatest harvest of souls yet! {eoa}
