

Prophetic Word: The Lord Says, 'Don't Look for the Antichrist Right Now'

Is America going to be overtaken by other governments? Are we facing a governmental collapse in November 2020? Dutch Sheets says, "No."

Hear his comments and thoughts regarding an apocalyptic message that is currently being spread across America.

Here are a few highlights:

—Our interpretation of what is happening in the earth and in our nation must be filtered through what God is saying.

—And He is saying, "I'm sending this revival. I'm sending this awakening. If you will continue to pray, I will do this."

—I believe God is going to come in and save this nation.

—The dreams I feel come from God are laced with hope. They're laced with, "If we pray, this evil can be averted and this can be stopped, and here's what God wants to do." Embrace what He wants to do and pray and cry out for that.

—My appeal to the church is to keep crying out for revival. Keep praying for an outpouring of the Holy Spirit.

—I say to the praying church: Do not be alarmed at these words that are coming. Take seriously the fact that there may be more unrest, but just continue to decree and pray for this revival, this awakening, for an overshadowing and hovering of Holy Spirit over our land.

—We are not going to be taken over by Russia, China or the U.N. This is not going to happen, at least not anytime in the near future.

—We are going to move into a reset and the spiritual turnaround will continue, and a third Great Awakening—the greatest awakening of all—is coming to our nation and coming to the nations of the earth.

—Don't look for the Antichrist right now. Don't do that. That's not where we are. Do not get caught up in that. This is a time to keep your focus on Christ and what He's doing, not what evil is doing.

—I want to bring peace to you and say get rid of the fear; just keep crying out for revival and this awakening that is coming.

—Be proactive, be a part of the solution, be a part of what God wants to do. He wants to send awakening and blessing and mercy, and if we continue to cry out to Him, we are going to see that.

—Bless you. I love this nation; I love all of you. I say it again: Keep praying; we're going to overcome, and we're going to see God turn this nation around. {eo}
