

Prophetic Word: The Lord Says, 'I Am Releasing a Double Portion Anointing'

Several days before the month of October ended, the Lord spoke to me as I was in private prayer. He said, "I am releasing a double portion anointing on those who have been consistent, faithful, and found in the place of fasting and prayer in past seasons."

Just before we entered into the month of November, I was in corporate prayer, and the Lord reminded me of this word.

I never plan to have a prophetic word for a specific month. However, when the Lord speaks to me about a specific season or time, I am always ready to share it with the body of Christ. I believe that God spoke this to me to encourage those that may feel discouraged or weary, don't give up! Your season of double portion anointing is coming!

When the Lord told me that a double portion anointing would be poured out in the month of November on those that have been faithful and consistent for many seasons, I felt that the word "seasons" was important. The Lord did not just say "season". Instead He specifically said, "seasons," meaning more than one season.

Many have been faithful and steadfast for many seasons and even for many years. Many have been consistent and committed to the things of the Lord and in prayer without yet seeing any results or answers. Some may have been fasting and praying for the same things for many years! Get ready, because if this is you, God is about to pour out a double portion anointing upon you!

Those who have been in this with the Lord for numerous seasons

will soon experience a greater measure of the favor of God as a double portion anointing comes upon them. This double portion anointing will affect everything you do and everything you put your hands to.

Expect every area of your life to be blessed by this double portion anointing. Expect a return from the Lord on every investment of time, prayer, resources and seed. This is a time where you will reap what you have sown, and you will reap double.

In the month of November, the double portion will be lavished on those who have been consecrated, consistent and faithful for many seasons. Past seasons will begin to pay off as a double anointing is poured out over many sons and daughters.

Don't be discouraged; God is about to answer your prayers with a double portion of anointing. If you have not received the answer to your prayers or the fulfillment of a promise, it is coming! If you feel weary or discouraged, just hang on. A double portion is headed your way!

This is your time. We must properly position and prepare ourselves with intention to steward the double portion God will give to each of us. Those who receive it are those who have been found set apart and committed for a long time. Expect for the double portion anointing to come upon you! {eoa}
