

Prophetic Word: The Lord Says, 'I Am Revamping Your Sense of Identity Again'

Beloved, are you struggling with feeling overwhelmed lately? Have you been feeling like a disappointment and a failure to yourself and others?

If so, the Lord wants to encourage you today.

This is what I heard the Lord say:

"I am revamping your sense of identity yet again, My child."

He went on to say: "You have been worrying and discouraged because the things you used to be—the things that gave you a sense of identity no longer are. Those things no longer exist, and this has caused you a great amount of sadness.

"However, My child, I allowed these things to be stripped away because I am unveiling yet another layer of who you really are.

"Notice that the way you think about things and the way I think about things are different.

"If you were a sculpture in progress—a block of marble—you would be worried about all the pieces you are losing as I chip away at various pieces of you. However, all the while, I would be delighting in each chip that I remove because each piece I pull away from you reveals a little bit more of your true form to the world.

"That is what I am doing in your character and heart right now: I am revealing you to the world.

"In this world you have trials and tribulations. You live in a

sinful world, but I am forming you into My image. So piece by piece, like a master sculptor, I am removing the effects of sin from your life. They are falling off of you like scales.

“But, My love, this work is necessary. This process is necessary.

“I know you feel hurt as I remove things that bind you, but soon you will feel so much freer than you ever felt before. You took your identity from certain things that you no longer need, but I am answering your prayers to be free from the shackles that bind.

“My child, you are secure in Me.

“You are loved in Me. You are who I made you to be. You are in Me, and I in you; in Me you live, move and have your being. And since I gave you your very ‘being’—your existence—then I am within My rights to dictate, decide and determine who and what you are.

“This ‘who and what you are,’ according to My opinion and My opinion only, is the only aspect of your identity that matters. Everything else will fall into place if you remain abiding in Me.

“You are secure and safe in Me.

“I am re-forming your sense of who you are. I am re-securing your sense of favor; I am tying you to Myself and bringing your attention to the security of the ties that bind you to Me.

“I am revamping your sense of identity. Too much and too often you have looked to the external to discover who you are and what you can do, but I remind you again that in Me you live and move and have your being.

“You can only exist—truly exist—when you are hidden in Me.

"You can eke out an existence elsewhere, but it will not be fruitful. Only in Me can you not only survive but thrive, as I have made you to do.

"You were born to fly, you know.

"I hear your frustration right now.

"I hear the cry of your heart. And I want you to know: Help is on the way.

"My help is on the way. Indeed, I am helping you even now, but the help you are looking for is on the way. The help you expect but have never experienced before is on the way. The help I give to you, that no other can give, is on the way.

"Just abide in Me.

"Stop worrying, fretting, wishing things were different. Stop beating yourself up because you can't do any better. Do what you can in obedience to Me and ask Me to do the rest. I will; I will help you.

"Beloved child, you are more than a conqueror through My Son Jesus.

"You feel like an absolute failure, but you are not.

"You feel inadequate—woefully inadequate—but you are not that either. Allow Me to minister to you in the night seasons; expect Me to show up for you and speak to you. I will.

"Love, your doting Abba Father." {eoa}
