

Prophetic Word: The Lord Says, 'I want to Fix Your Life'

Beloved friend in Jesus, have you been questioning whether or not our God can fix and heal the things that are broken in your life? If so, Abba Father says to you today:

"I want to fix your life, heal you and make you completely new.

"You think you are too far gone to restore but you're not. I am well able to heal everything about you and set you back into the path I originally had for you in every way. Your sins have not precluded Me from healing you. Remember, I cannot even remember your sins, for I have forgiven them and you are hidden with Christ in Me.

"You can be whole in Me, even if you have never been whole before. People have let you down since birth, but I have been holding you up the entire time.

"I have never left you, and I will never leave you nor forsake you. I am not like your earthly father; I am your heavenly Father, from whom all fatherhood is named, and I embody and epitomize the very essence of good Fathering. I am your Good Father!

"I would like to heal you with My Father-heart, but you will have to let Me.

"To do this, you will have to disconnect your version of what a father is—the version you have developed from looking at humans—and reconnect with Me. You will have to let Me into that place in your heart that you have closed off to 'fathers.'"

“But as soon as you do, you will find Me there, ready and willing and, indeed, *eager* to occupy that place in your heart. As soon as you let Me into this place in your emotions, you will find things in your mind that have been awry suddenly springing back into place.

“This spring, be ready for the sudden *springing* of My divine connections.

“Allow Me to heal you so I can connect you with My purposes. Allow Me to fill you with My Father-ness, so your heart can be healed. The root of many issues in your heart is your lack of connection to Me as *Father*. I know you know Me and love Me as your God, but you have *got* to let Me be Your Father as well as your God.

“Ask Me to help you if you cannot open your own heart. I will help with anything you need! I dote on you; I love you so much and I would never tell you ‘no’ when you ask for My help. You have simply been thinking you have gone too far for Me to fix and heal your life, but I tell you that you have not. Help is nearer than you think!

“Will you surrender to My Fatherly love?

“A baptism in My love is what you need, and I stand ready, willing and excited to baptize you in My love! When you receive My love at a truly new level, it will be transformative for you.

“Pray and ask Me to open your heart to everything I have for you and to baptize you in love at the same time. I will answer you, for I am near to the brokenhearted and to those who call on Me in truth!

“I am ready and waiting to help you. Invite Me today to be your Father.

“Renounce every earthly idea and experience of what that

means, and receive the truth from My Word about what My Father-heart and Father-love for you truly mean.

“You have imagined that I am like your earthly fathers, but that is a vain imagination. It is vain; it is a lie and does you no good. Grab onto the profitable imaginations I have for you and harness your imagination to dwell on My truth.

“I love you and will not hurt you. I will always provide for you; always lead and disciple and guide you; I will never leave you without support. Be comforted in My love today.

“I love you, My child. Dwell in Me today.”
