

Prophetic Word: The Lord Says, 'The Winnings of Heaven are Knocking at Your Door'

Are you ready for the radical, unusual and unique blessing the Father is bringing your way? The Father says today that the currency-counting machines in the treasure houses of heaven are whirring, counting out a shocking, surprising increase in your life.

The Lord has a blessing with your name on it.

"That's who I am," says the Father, "and that is what I do. This day, I declare that you are the winner. The winnings of heaven are knocking at your door. Get ready for your close-up! Get ready for joy and celebration so pronounced that your cheeks will hurt from smiling so much!"

I Receive God's Wall-to-Wall Outpouring in My Situation!

"Get ready," says the Father, "for your blessings to be spread out like a week's washing at your house. As in Solomon's day, they piled silver up in the streets because there wasn't anywhere else to put it! Even so," says God, "My power to bless is being turned full-on to completely inundate your life in every way.

"It is now your time for the wall-to-wall outpourings of deliverance, healing, provision and providence—to open your way, to make the crooked straight, the valley high and the mountain low. Your eyes will see it and be amazed. Your ears will hear it and tingle with the electricity of My Spirit for the magnitude of all I'm bringing about in your life and in the lives of those around you who you love and care about.

God Is Pegging Out My Joy Meter!

“Yes! You heard Me right,” says the Father. “I am pegging out your joy meter. No longer will your outbursts be exclamations of despair but of joy so unspeakable, with your mouth hanging up and no sound coming out, for I will dumbfound you with my goodness. I am a good God, and of My goodness you will drink to the full and eat and be satisfied beyond measure. You won’t be able to find the words!

“Abundant? Yes, you will say that it is abundant—but more than abundant!

“Miraculous? Yes, it will be miraculous, but so much more than miraculous!

“Overwhelming? Yes, and so much more than overwhelming, for you will find yourself in My river just rolling over on your back, letting my current of favor take you to the very center of your ‘blessing place’!

I Receive My Breakthrough Moment—Right Now!

“The ‘hell’ of the enemy is being ‘visited’ back on his head,” says God. “The hell the enemy wants to put you through is, this day, being met by the consuming fire that I am in your life. Impoverishment is going. Rejection, hatred, indifference are passing away. Scorn and disdain of others are fading from your life. My favor is usurping the treatment of those who kicked you to the curb and left you in anguish and despair.

“Your heart has been run through the meat-grinder of disappointment, but I say to you that grief is fading and going away. The garment of praise is resting on your shoulders, so go ahead; praise me now. Go ahead and dance in advance! Praise Me in your storm, and praise Me in the turbulence. For out of the turbulence comes that breakthrough moment where the skies part, the sun shines through and everything then looks different—because things are different, for I am the God who is making the difference in your life.

Every Prophetic Word Over My Life Is Coming to Pass in This Season!

Wow. Listen! As a prophet, I hear God say that you are in a season of life where you will see every prophetic word over your life come to pass in full measure. The Father says, "I will leave nothing out." Relationships are coming, and loneliness is going. Prosperity is manifesting, and poverty is going, never to return. Debts are being wiped out, and from this day forward you will be the lender and not the borrower. As men reel in confusion, looking for earthly answers, you are reveling in the miracle-working manifest blessing of God touching every area of your need.

What a word. Praise God! 2 Chronicles 20:20 says to "believe the prophets," and this is one of those moments. Sometimes prophets prophesy because they see what's coming for you. Then sometimes they prophesy from a level of oracle prophecy. Oracle prophecy is when the thing God promises you happens because the prophet says it. The prophet doesn't merely see it coming; they are prophesying it into existence.

I declare that this is your portion today. Believe for God's best. Expect radical and immediate outcomes. Act in faith, lay hold of the impossible and see it become a manifest reality in your life! This is your "amazement season," for we serve an amazing God!

Receive the amazement of God today. {eoa}
