

Prophetic Word: The Lord Says, 'You Have a Profound Destiny'

You have a profound destiny and a prophetic promise from the Father. You have a kingdom assignment and something to manifest out of your life that is the will of God for you.

I have been hearing the Lord say over the past several weeks, "profound prophetic promise." He has been saying, "My people, you have a profound destiny. You have a kingdom accomplishment in which you need to be committed. You have a divine assignment here on earth to complete."

The Spirit of the Lord is prophetic, and the Word of God is full of prophecy. When we look at the Word of God, we receive many prophetic promises, but are we activating them by believing and receiving. The Lord has been speaking to me that His people need to be encouraged and activated in the things of the Spirit. They need hope again for their prophetic words and the promises that God desires to release into their lives.

You have a divine assignment. When you come into alignment through discipline, obedience and prayer, something will shift in the spiritual atmosphere to release the kingdom assignment you have here on earth. What you have to do for the kingdom and who you have to impact is profound. It is profound! You are profound! Your destiny is profound, and it is filled with prophetic unction, assignments and promises.

Step into obedience and release what the Lord has for you. He wants to accomplish His will in your life. You have a prophetic action to release. You need to follow His instructions. You need to have faith that it will all work out and manifest as God intends. He hasn't given up on you and the promises He has spoken over your life. He doesn't want you to

give up; He wants you to get up! Activate! He has a plan and purpose for you to accomplish. He wants you to be encouraged that He is on your side, and He will complete the plans and purposes He has for you!

You have a profound prophetic purpose, a destiny and a promise. The world needs you. Move forward and accomplish His will for your life. He has a divine destiny over your life that only you can complete. Remove the distractions, delays and detours.

Walk-in His complete prophetic will for your life. {eoa}
