

Prophetic Word: 'There Is a Pharaoh Spirit in the Land'

In a time of prayer recently, I asked the Lord this question: "God, what is really going on in America? I know things are not what they seem."

The Lord answered me almost immediately with a direct answer. The Lord said, "There is a Pharaoh spirit in the land." When the Lord spoke this to me, I thought about how Pharaoh was controlling, was a harsh task-master, oppressed people and killed babies. I believe that this Pharaoh spirit has been oppressing people in America for a long time.

I also felt that there is a Jezebel spirit at work in America as well. Right before Jezebel was destroyed, God raised up Jehu who was a mighty man of God, brave enough to confront Jezebel and see her cast down.

I believe that there is a Pharaoh spirit and a spirit of Jezebel partnering together to see evil come to America. Pharaoh was a powerful man with a lot of land and people in his jurisdiction. In order to maintain his power, he would oppress the people under him, giving them just enough in order to survive, but not enough to prosper. He built his own kingdom on the backs of the people serving him.

The Jezebel spirit is very manipulative and tends to spin and distort the truth in order to get what it wants. The Jezebel spirit will manipulate everyone it encounters in order to control them.

As I continued to pray and ponder this, the Lord spoke to me and said, "What happened when the people were finally released from the cruel rule of Pharaoh?" They cried out and God brought up a deliverer. He brought up Moses.

The Lord asked me this, "What happened when Ahab and Jezebel were destroying people for their own personal gain?" God brought up another deliverer. He brought up Jehu to throw her down!

This is an hour in America where we will see the Moseses and the Jehus arise. There is about to be a Jehu anointing that will come upon so many people to end the control and oppression of these two evil spirits in America. We are about to see the kingdom of God manifested on the earth.

There are so many faithful people who have been in the cave, the wilderness, and hidden in fasting and in prayer. These are men and women of God who are about to rise and fulfill their kingdom mandate to fight against every principality and power of the evil one.

Intercessors! This is your time to go forth! We are about to see something powerful in America. However, we must stand up and war in the spirit. Rise up, Moses and Jehu! This is your time to confront the Pharaoh and Jezebel spirit that is in operation in our land.

This is not just happening in the church, but in politics, businesses and in all realms of influence. These evil spirits that have been partnering together will be exposed and destroyed by the people of God who will stand in the authority that has been given to them by God.

There will be justice and the Holy Spirit will have His way in America! The kingdom of darkness will not be able to stand when the full manifestation of the kingdom of God comes. God is about to show up on the scene and use men and women of God who are full of holiness and consecration to throw down the Jezebel and Pharaoh spirits. {eo}
