

Prophetic Word: This Is Your Season of Answers

God spoke to me in prayer recently and said, "This is a season of answers." He did not say, "You are about to go into a season of answers." This is a season of answers. Right now, wherever you are, this is your season of answers!

Many times, we are unable to move forward because we have yet to receive the clarity or key insight we need. In this season, you will obtain that clarity and key insight from the Lord. You will not be confused or unfocused in this season. God is releasing clear prophetic words and insight to His people in this hour.

Lean in and listen to His voice because He is speaking, and He is speaking clearly! Get ready to hear God as you never have before. Get ready to know and understand things you have only been able to pray about in past seasons. This is a time where God is making things so clear and so obvious to release the answers we need. This is a season of answers.

We can often wonder why we walk through certain circumstances and situations. In this season, God will show you the answers to those questions. Revelation will come to you, and you will be grateful for everything you've been through.

You may not have understood why, but soon, God will show you the answers. The Lord will use difficult seasons and circumstances to grow and mature us. The enemy may have come to kill, steal and destroy in your past, but God will show you the abundant life He gave you in the midst of it.

Many will hear the right messages, encouragement, prophecy and revelation in this season that will unlock the answers you've been looking for. Some of the answers will be practical, and some will be spiritual. Some of the answers will be wisdom

from the Lord about your business or occupation. Some of the answers will be answers to prayers you've been praying for many years! The answers are coming to you in this season.

This is a season to walk closely with the Holy Spirit and be led by His guidance and instruction. The specific answers God gives to you will require you to be confident in His voice. When God speaks clearly to us, we can easily talk ourselves out of it or question what He is saying. Don't do that in this season. Answers are coming to you.

Expect the answers and wisdom, take it and run with it! You will hear clear answers from God in this season, and He will make things plain to you so that you can confidently obey and move forward. This is a season of answers, so expect to receive the answers you have been seeking to find! {eoa}
