

Real Intimacy

Do you want God to flood your heart with His love and draw you closer to Him? Nothing can replace the longing we have for authentic fellowship with the Father. And the moment we attempt to substitute His presence with religion, we feel distant from Him. Don't allow anything to keep you from intimacy with God. Be sure to pray and read your Bible, but seek to go deeper than that. Ask Jesus to speak to you and affirm in your heart that you belong to Him. Watch the video below.
