

Remembering the Latter Rain

Moves of the Spirit of God are always precipitated by spiritual hunger and repentance. Revival restores to us the knowledge and the experience of the gospel's truth.

When the Spirit of God is poured out, our spirits are awakened to the reality of Christ's presence, His love for the world and His victory over every bondage of the enemy. God will attend to the cries of any group of believers who will ask Him for a visitation and be willing to pay the price in prayer.

HEART ISSUE: What in your own life hinders you from experiencing personal revival? Is it a lack of desire or a need for repentance?

PRAYER FOCUS: Father, Your Word tells us we could not even come to You had You not sought us first. But now we want to know You in a deeper way. Make us aware of those things that would be a hindrance to us. Stir our hearts, Lord, to love You and desire You more, so that we can pursue You as You've pursued us. Amen.
