

# Revival Is Coming to Your Homes and Families!

Recently I heard the Lord say, "I am establishing the 'HOME season.'" When He spoke this to me, I knew immediately it was a multi-layered word.

## At Home in Me

The Lord showed me that there is a deeper understanding taking place within the body of Christ. We are awakening to the reality of "home in Him." I sensed a deep, burning revelation of communion and oneness with Him; the "John 15" place of abiding in the vine – of finding deeper rest, peace, security, life and strength in Him. The body is awakening to an even deeper understanding of Jesus as the root and source of lives. We are coming into a deeper baptism in the fire of His love (Eph. 3:16-19).

All other loves before Him, all other idols, are being cast aside as there is a deep "returning to home" ... the place of first love. Distractions and things which people have looked to for their value and purpose (apart from God) are being shaken.

An invitation is being extended to ferociously focus on Him and *all* things pertaining to life and godliness, which are found in Him. We are being invited to awaken to our eternal purpose and identity. In this deep place of safety, we will be delivered from fear and will remain at peace in the storm.

## "SHALOM"

I then saw a vision of God's people being covered in a banner, which read "SHALOM."

Brian Simmons describes the word "shalom" this way:

*SHALOM means much more than peace. It is wholeness, wellness and well-being. It is safe, happy and friendly. It is favor and completeness. It means to make peace (a peace offering), to secure, to prosper, to be victorious and to be content. It is tranquil, quiet and restful...*

*The pictographic symbols for the word "shalom" (shin, lamed, vav, mem) actually read: "Destroy the authority that binds to chaos." The noun "shalom" is derived from the verbal root "shalam," which means "to restore" (in the sense of replacing or providing what is needed in order to make someone or something whole and complete).*

*So shalom is used to describe one who has provided all that is needed to be whole and complete, and to break off all authority that would attempt to bind us to chaos. (Paraphrased)*

## **Revival in the Home and Family**

When the Lord spoke to me about the "HOME season," I also knew that He was speaking of family.

There is a mighty move of the Spirit of God happening in families right now. He is bringing revival in families. He is bringing a deeper unity in families. He is calling for a greater focus on the family of God and family in the home.

## **Strategies for the Home Season: A Change of Pace, a Shift and a "Letting Go"**

The Lord showed me where the enemy has been coming in, ferociously trying to bring division and a breakdown in homes. He told me that this is a time to truly draw close to Him and to ask what this "home season" should look like for you and your family.

The Lord has different strategies for this season. These strategies are designed to create space for the Spirit of God

more than ever before and to establish the “home season.” There will be a “letting go,” a shift and a change of pace. His strategies will usher in mighty moves of His Spirit and revival fires in the home unlike anything we’ve seen before, creating houses of His glory.

I felt such a strong, weighty urgency from the Spirit of God. He wants His people to stop and draw close to Him, taking the time to ask Him what “establishing of the home season” should look like within households. He wants us to be willing to shift and change as He speaks.

I heard the Lord’s voice thunder strongly as He said: “SOME PRIORITIES MUST CHANGE.”

I knew immediately that there was a “*dying* to certain things” that needed to take place. This must happen in order for God’s will to be established in the HOME. Room must be made for His Spirit to...
