

Rick Joyner: There's Only One Way to Stop Judgment

Will America ever face the wrath of God for abortion, sanctioning gay marriage or mainstreaming sexual immorality? Prophet Rick Joyner finds his answer in Ecclesiastes 8:11: "Because the sentence against an evil deed is not executed swiftly, the heart of the sons of men is fully set to do evil."

Joyner says the Lord desires that all men be saved and is giving time for people to come to repentance.

"It says in Revelation that He even gives time for Jezebel to repent," Joyner says. "I think that people are taking that as God approving of them or doesn't care or whatever."
