

# **Sarah Reeves Releases Touching Song About Surrendering to God**

Sarah Reeves from The Belonging Co released a touching song called “Just Want You” about surrendering everything to receive God’s presence. The lyrics redirect our focus and remind us of the most important thing: to walk with the Father in His love and peace.

“I don’t want it if You’re not in it/ I just want You/ Your heart, Your ways, show me Your face.”

Slowly, God starts to change the desires of a Christian’s heart to be the same as His desires. If God doesn’t receive the glory and it’s not His will, it’s not something a true Christ-follower wants. Watch the entire music video [here](#).
