

Rescued by Righteousness

Her father was the music pastor of her childhood church and her mother played the piano. But Sandi Patty, one of the most celebrated singers in Christian music with a plethora of awards to her credit, tumbled off the proverbial pedestal more than 15 years ago when she went through a public divorce. Today she sings about the grace of God afforded to every believer who trusts in Him and seeks His forgiveness. To hear Sandi's testimony about grace and righteousness, click below to watch the video.
