

# Contend for the Faith

Jesus is the standard by which all Christians live their lives. As members of the body of Christ, we must imitate His righteousness to a world in need of salvation and the transforming power of the Holy Spirit. But the Bible says the ungodly have “crept” into the church to pervert the grace of God into a license for immorality (see Jude 4). We believers must contend for the faith with diligence to expose false teaching and those who distort the Word. To watch a powerful message that will compel you to stand for truth, click below.
