What's Been On Your Mind Lately?

Have you ever heard the saying "You are what you think?" It's true. Your thoughts carry a lot of weight and oftentimes dictate your actions. When you don't guard your mind from negative influences, your thoughts eventually control who you are and what you believe about yourself.

Let well-known Bible teacher Joyce Meyer help you discover the freedom that comes with taking authority over your thoughts in the trailer, "What's Been On Your Mind Lately?"
