

Short Prayers to Take You to the Next Kingdom Level

We can't do life alone. We were not designed that way.

It is also true that in order to accomplish all that God has for us, we are going to need the help of others. This help can come in many forms and can almost feel life-saving.

It could be the encouragement of friendship, or it could be a peer working side-by-side with us on an important project.

I have found it also true that sometimes that help is needed by someone further along than I am currently. Maybe it is a mentor who gives me some advice that changes the course of my life. Maybe it is a leader who opens a door for me.

How about you? Maybe it is a boss whom you need some help from to go to the next level.

In this short video we continue our series on short prayers that make a difference in our lives.
